DETAILS:

"THE THUNDERBOLT" - Publication of the NSRP

"The Thunderbolt" is self-described as the "official white racial organ of the NSRP."

Issue No. 35 of "The Thunderbolt", for October, 1961, contained a front page devoted entirely to an article entitled "'Freedom Riders' Burn Bus While BOBBY KENNEDY Blames 9 Innocent White Alabamians." This article pointed out that United States Attorney General KENNEDY and "his FBI Agents know that the Communist Freedom Riders set the Greyhound bus on fire from the inside near Anniston and that KENNETH ADAMS and the other eight defendants are all completely free of guilt." This article pointed out that ROBERT KENNEDY knows the defendants are not guilty in this case, but that if the Justice Department could get convictions it would insure a higher percentage of the Negro votes in larger Northern states going to ROBERT's brother, JOHN KENNEDY, in the 1964 election. The article stated that a verdict of not guilty for the nine innocent defendants would be a victory for white Christian America and a major defeat for the "Communist-Jewish conspiracy."

Page 2 of this issue contained a story about a Freedom Rider named PHILIP POSNER. The article stated that POSNER is a senior at the University of California, Los Angeles, and also attends Hebrew Union College in Hollywood.

Page 3 contains an editorial which stated that the NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE and CONGRESS OF RACIAL EQUALITY are not Negro organizations but are Jewish organizations. The editorial said, "Their officers are Jews, their financiers are Jews, the entire philosophy behind mongrelization is imbedded in the evil tenants of Judaism."

Page 3 also contains a photograph of JACK GREENBERG and an article entitled "WHITE LAWYER NEW NAACP LEGAL COUNSEL."

Pages 4 and 5 of this issue contain an article entitled, "KENNEDYS START SECOND RECONSTRUCTION OF SOUTH." Along with this article appeared photographs of Negroes who represented Southern states in Congress and in the United States Senate shortly after the Civil War.

BH 105-477

Pages 6 and 7 of this issue contain an article entitled "THE INTERNATIONAL JEW", "By HENRY FORD, Founder - First President of the Ford Motor Company."

Page 8 contained an article entitled "NEW ORLEANS MEETING SUCCESS". This article advised that on Friday, September 8, 1961, at 3:00 P.M., two representatives of the National States Rights Party, Mr. ROY JAMES LEAHART and Mr. ALBERT JOSEPH BELSOM, picketed the Orleans Parish School Board office at 703 Carrodelet Street, New Orleans, Louisiana, calling on the school board to resign.

Page 8 also contained a story on IRVING THACKER of Dayton, Ohio. This article stated that the Ohio Branch of NSRP meets regularly in Dayton, Ohio. "All Ohio supporters should find out how they can help by writing National States Rights Party, Ohio Unit, Box 42, Walnut Street Station, Dayton, Ohio."

Issue No. 36 of "The Thunderbolt", dated November, 1961, was devoted entirely to the arrest of DR. EDWARD R. FIELDS at Fairfield, Alabama, on October 11, 1961. Editor's comment on the front page stated that a true account of DR. FIELDS' arrest appeared in the Birmingham Post-Herald, which is a "Christian owned morning newspaper", but that the Birmingham News launched a "vicious lying attack against DR. FIELDS and The National States Rights Party." "Needless to say, the Birmingham News is owned by a radical Zionist Jew in New York City named SAMUEL I. NEWHOUSE." A letter from C. J. SMITHSON, Mayor of Fairfield, Alabama, to DR. EDWARD R. FIELDS, 1509 Mims Street, S.W., Birmingham, Alabama, appeared on the front page of Issue #36 of "The Thunderbolt" as follows:

"Dear Sir:

"It has come to the attention of the City of Fairfield that you are proposing to have a public meeting at 8 P.M. Wednesday, October 11, at 5329 Valley Road, Fairfield, Alabama. This is to call to your attention the fact that under Section 14-53 of the General Code of the City of Fairfield, 'It shall be unlawful for any person or persons to hold a public meeting in the City or its police jurisdiction without first having obtained a permit from the Mayor to do so'."

BH 105-477

"No application for such permit has been made to this date and no such permit has been issued. We also note from the notice that a thunderbolt mobile unit will be parked out front. We would also like to call to your attention that no such permit has been issued for such mobile unit to be parked at such location, and no permit has been issued for the distribution of pamphlets such as have been distributed in the City of Fairfield pertaining to this meeting.

"Unless an appropriate permit is obtained for this meeting, it will be illegal and will not be allowed in the City of Fairfield."

"Yours very truly,

C. J. SMITHSON, Mayor
City of Fairfield "

In the middle of the front page of Issue No. 36 appeared the following:

"I have the authority to determine whether public meetings are held in Fairfield."

"Statement made on witness stand in Judge Ball's Court Room on October 12, by:

" Mayor CLAUDE J. SMITHSON
4300 Parkway, Fairfield, Alabama
Phone No. State 5-2845 "

The lead article on page one was entitled "FAIRFIELD MAYOR BANS FREE SPEECH". This article alleged that Mayor SMITHSON of Fairfield had outlawed free speech and set up a private dictatorship in Fairfield, Alabama. The article stated that Fairfield has two minor city ordinances, one which forbids the passing out of handbills without the Mayor's permission and the second prohibits the holding of a public meeting without the Mayor's permission. This article pointed out that these

BH 105-477

ordinances are contrary to the United States Constitution and the Bill of Rights. This article concluded, "DID YOU KNOW THAT:

- " (1) Mayor CLAUD SMITHSON forbid a Klan motorcade through 'his' city last year.
- " (2) Mayor CLAUD SMITHSON refused to permit a Citizens' Council meeting from being held in 'his' city.
- " (3) Mayor CLAUD SMITHSON broke up a proposed meeting of the National States Rights Party.

" Has anyone ever heard of SMITHSON refusing permits to Negro or other race mixing groups? Has he ever used armed force to break up a meeting favoring race mixing?"

Another article on page one was entitled "RIGHTS RALLY STOPPED - Pair Arrested on Contempt". This article was by FRANK HARWELL and the name of the paper printing it was not given. This article stated in part, "A meeting of members of the National States Rights Party was broken up at two different sites by a court injunction last night. Two members of the party who had planned to conduct the meeting were arrested on a contempt of court charge. They are DR. EDWARD R. FIELDS, 29, and ROBERT LYONS, 20, both of Birmingham and both party officers. They were charged with contempt of court, specifically for violating an injunction issued by Bessemer Judge EDWARD BALL which was served at noon yesterday. More than 40 law officers were present at a Fairfield hall leased by the States Rights Party. Armed with pistols, rifles and shotguns, the officers kept order in a crowd of less than 100 bystanders who gathered. FIELDS and LYONS were arrested at 7:30 p.m. immediately on arriving in Fairfield, when LYONS handed a copy of the party newspaper, The Thunderbolt, to Fairfield Mayor CLAUD SMITHSON."

This article quoted FIELDS and LYONS as stating that the purpose of the meeting was to discuss the violence and bus burning near Anniston, Alabama, and Attorney General ROBERT KENNEDY's part in the trials now going on in Anniston. These men were also quoted as saying that J. B. STONER, attorney for the men indicted in the Anniston incidents, was to speak at the Fairfield meeting. FIELDS and LYONS were also quoted as saying this was the first time they had ever been arrested; that they had held meetings in Chicago at the LaSalle Hotel, in New Orleans, and "even in integration-minded Atlanta."

BH 105-477

Pages 2 and 3 of Issue No. 36 of "The Thunderbolt" contains other articles referring to the Fairfield arrest of DR. FIELDS, as follows:

"FIRST TIME IN AMERICAN HISTORY INJUNCTION USED TO OUTLAW FREE SPEECH"

"DOES THIS LOOK LIKE AMERICA OR SOVIET RUSSIA?"

"DR. FIELDS TO SUE 'BIRMINGHAM NEWS'"

"BIRMINGHAM NEWS OWNED BY NEW YORK RACE MIXER"

Page 4 of "The Thunderbolt" contained an editorial on "Court Decisions For Free Speech and Assembly"; also, an open letter to residents of Fairfield, Alabama, suggesting that Mayor CLAUD SMITHSON could be removed from office because he "has become so unpopular." This article indicated that Mayor SMITHSON and his followers regard the money spent by Negroes in Fairfield as more important than free speech. The article allegedly quoted several individuals to that effect, when they testified at Mayor SMITHSON's hearing on Friday, November 17, 1961, to obtain a permanent injunction to prohibit the National States Rights Party from holding meetings in Fairfield, Alabama.

Issue No. 37 of "The Thunderbolt" for December, 1961, was a small one page edition. This issue wished all NSRP members and supporters a Merry Christmas and urged them to buy from Christian merchants and not Jewish business men. This issue contained the poem entitled "Kosher Christmas", which indicated that Jewish merchants do not respect either Christ or Christmas and are only interested in selling to Christians. A short excerpt from this issue entitled "Buy Christian" is as follows:

"During the Holy season the Jews are going all out as never before to commercialize Christmas. The Jewish high-pressure selling started two weeks before Halloween. They are racking up; more sales than ever before, while at the same time sneering at the birth of Christ and hating everything sacred that this season stands for. To the Jew, this is just another time to make a fast killing off the poor ignorant Gentile. Christmas is Santa Claus - giving because we expect

BH 105-477

to receive. Prices are higher but credit is freer. The Holidays mean office partys, football games and parades. Even in Moscow all the Jewish Department stores have a Santa Claus. Christ's name is replaced by an X in Xmas on all Jewish storefronts. The Jews are determined to destroy the true meaning of Christmas and turn it into an orgy of present buying. We do not say that gifts should not be exchanged, but spend your money with fellow Christians. There are still a few Christian chain stores left, 'Pennys', 'Belks' and 'Montgomery Ward' are the major ones. Buy Christian Boycott the Christ haters! "

NSRP ACTIVITY IN ALABAMA

Mr. CLAUDE SMITHSON, Mayor of Fairfield, Alabama, telephonically advised on October 10, 1961, that he had heard the NATIONAL STATES RIGHTS PARTY (NSRP) was going to hold a meeting at 5329 Valley Road, Fairfield, Alabama, over a car-wash establishment. He stated the upstairs of 5329 Valley Road was rented to a fishermen's or hunters' club, which he said was possibly "The Klan". He said it was necessary to obtain a permit to hold a public meeting in the City of Fairfield and no permit had been issued for this meeting. He advised that some leaflets had been distributed at Fairfield announcing this meeting and stating that "niggers" were getting everything and that the white man had better organize, or words to that effect.

Mayor SMITHSON stated it was a violation of city law to distribute leaflets in Fairfield without a permit.

Birmingham Confidential Informant T-1 advised he

[redacted] and that [redacted]
[redacted] and mentioned such things as "THE THUNDERBOLT", official organ of the NSRP; a volume of books written by HENRY FORD, SR., entitled "THE INTERNATIONAL JEW", and the "Freedom Riders". T-1 stated [redacted]

On October 11, 1961, Mayor SMITHSON again called and advised that he had secured a temporary injunction against [redacted] and the NSRP, based on violation of City Ordinance 14-56, City Code of Fairfield, which prohibits the holding of a public meeting without a permit, and Sections 3-4 and 3-5, which make it a violation to distribute leaflets within the city limits without a permit or to place handbills in automobiles. Mayor SMITHSON said he had posted a copy of the injunction on the door of 5329 Valley Road and the Fairfield Police had been instructed to patrol the area and the Jefferson County Sheriff's Office had agreed to give him any needed assistance. Mayor SMITHSON stated he did not intend for [redacted] to hold the meeting.

BH 105-477

Chief of Police THOMAS H. WARD, Fairfield, advised that on the night of October 11, 1961, a group of approximately 40 officers from the Fairfield Police Department, Jefferson County Sheriff's Office, Midfield Police Department, and the Alabama Highway Patrol were placed around the building at 5329 Valley Road, Fairfield, about 7:00 P.M. He stated the NSRP planned to hold a public meeting on the second floor of the building at that address.

It is noted that the upstairs of this building is regularly used by the Fairfield Klavern of the U. S. KLANS, KNIGHTS OF THE KU KLUX KLAN, REALM OF ALABAMA.

Chief WARD advised that [redacted] appeared on the scene about 7:45 P.M. and began distributing copies of "The Thunderbolt"; that [redacted] were immediately arrested and placed in a Jefferson County Patrol Wagon. Two unidentified teen-agers were arrested by the Fairfield Police, but later released when it was determined they were not connected with the NSRP. Officers searched about 35 cars in the nearby parking lot and confiscated several THUNDERBOLTS. Several of the officers carried riot guns, one Fairfield policeman patrolled the streets with his German Police dog. Chief WARD said no violence occurred and that unidentified news photographers were present.

b6
b7C

He advised that [redacted] would be charged with contempt of court for violation of the injunction obtained by Mayor SMITHSON against [redacted] and the NSRP. He stated [redacted] would be tried at [redacted] before Circuit Judge E. L. BALL, Bessemer, Alabama. Chief WARD estimated that a crowd of approximately 100 persons watched the proceedings from across the street.

b6
b7C

The Birmingham Post-Herald, a daily newspaper at Birmingham, on October 13, 1961, had an article on the front page which stated that FIELDS and LYONS were found in contempt of court on October 12, 1961, fined \$50.00 each and sentenced to five days in jail. Their attorney, J. B. STONER, filed notice to appeal. Bond was set at \$500.00 each.

This article stated FIELDS is the Information Director and LYONS is the Youth Leader of the NSRP. The article stated

BH 105-477

that about 40 armed officers and 150 orderly spectators were at the meeting site of the NSRP. FIELDS and LYONS were unable to make bond before the court clerk's office closed on October 12, 1961. The Jefferson County Sheriff's Office said they were returned to jail for the night.

Chief Deputy Sheriff CLYDE MORRIS, Bessemer Division of the Jefferson County Sheriff's Office, advised on October 13, 1961, that [redacted] were released on bond at 10:45 P.M.

b6
b7C

The Birmingham News for October 13, 1961, printed an editorial entitled "Racial Extremists Not Wanted Here". This editorial mentioned that Mayor CLAUD SMITHSON of Fairfield had requested a court injunction, which would prohibit the NATIONAL STATES RIGHTS PARTY from holding a public meeting in Fairfield. The editorial stated that this request was "quite proper". Mayor SMITHSON requested the injunction because he feared the gathering would incite a riot. The editorial continued "Fairfield, Birmingham, or the South do not need the likes of FIELDS and his party to fight their battles. Integration of the races has been resisted most effectively where it has been done legally and with the dignity befitting defense of honest principle. Extremists on either side make matters more difficult. Their agitations are not welcome here."

The Birmingham News for October 23, 1961, stated that the City of Fairfield, Alabama, had been sued in the United States District Court at Birmingham by two members of the NSRP, "seeking to enjoin the city from abridging freedom of speech and interfering with peaceable assembly." This article said the suit was filed by EDWARD R. FIELDS, 1509 Mims Street, S.W., and VICK ASHURST of Montgomery, Alabama. The article stated that defendants, along with the City of Fairfield, were Fairfield's Mayor CLAUD J. SMITHSON, City Attorney FRANK B. PARSONS and Police Chief THOMAS H. WARD.

NSRP ACTIVITY IN NEW YORK

On October 30, 1961, Detective [redacted] Bureau b6
of Special Services, New York City Police Department, advised b7C
that during the weekend of October 27-29, 1961, the below
described demonstrations took place in New York City:

[redacted]
On Friday evening. October 27. 1961.

the latter being [redacted] of the National States
Rights Party, picketed from 7:00 P.M. to 8:00 PM in front of
the Hotel Astor, New York City, where a dinner under the aus-
pices of the American Guild of Variety Artists was being held
in honor of SAMMY DAVIS, JR., Negro entertainer, naming DAVIS
as AGVA's "Man of the Year". These pickets carried signs
reading, "We are not Nazis, we are Fighting American Nationalists";
"Gas red traitors and support racial separation"; "Stop lynch
mob tactics against the F.A.N.;" "Sammy Davis, Jr. and May Britt
really don't fit; Fighting American Nationalists"; "Astor Hotel
houses race-mixing Sammy Davis, Jr.", and "Race-mixer of the
year, Sammy Davis, Jr.; Fighting American Nationalists." There
were no incidents during this picketing.

b6
b7C

On Saturday evening, October 28, 1961, the following
demonstrations took place outside St. Nicholas Arena, New York
City, where annual dinner for "The Worker", weekly Communist
newspaper, was held:

From 6:00 P.M. to 8:00 P.M.. [redacted]

of the NSRP, and [redacted] picketed under
the banner of the NSRP. [redacted] who carried a Confederate
flag and his brother, [redacted] wore grey cotton shirt and
trousers with no insignia or armbands.

BH 105-477

Issue No. 32 of "The Thunderbolt", self-described as the official White Racial Organ of the NATIONAL STATES RIGHTS PARTY, announced that WILLIAM HOFF was the leader of the NSRP in New York.

On November 17, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, advised he had interviewed [redacted] on November 15, 1961, and had obtained the following information from him:

b6
b7C

[redacted] stated he resides in a [redacted] and has resided there since 1940. He stated he resides at this address with his [redacted]. Another [redacted] is presently attending the [redacted] and is expected to be ordained a minister in the near future.

b6
b7C

[redacted] stated he is single and has never been married. He was born in [redacted] and is employed as a [redacted], and has been employed there for three years.

b6
b7C

[redacted] is described as white male, [redacted] years of age, [redacted] pounds [redacted] tall, dark hair, dark brown eyes, and medium build.

b6
b7C

[redacted] stated that in July, 1961, he met in New York City with [redacted] who lives in [redacted] and who is [redacted] NSRP, the headquarters of which is located in Birmingham, Alabama. On this occasion, [redacted] stated that [redacted] appointed him New York State Chairman of the NSRP and this appointment was verified by mail within ten days in a letter received by [redacted] and signed by [redacted] NSRP, Birmingham, Alabama. According to [redacted] his appointment was effective as of [redacted]

b6
b7C

[redacted] stated that the New York State Unit of NSRP has no permanent quarters at this time. When meetings are deemed necessary, they are held at [redacted] residence or that of another NSRP member.

b6
b7C

BH 105-477

The NSRP, according to [redacted] has subdivided New York State into about 14 units. Each unit is centered around a large city within the state. New York City is one such unit. [redacted] claimed a membership of 23 in New York City and about 300 throughout New York State. In addition to these, there are about 40 more persons in the New York City area who are recipients of leaflets and copies of "The Thunderbolt" but are not dues paying members of the NSRP. [redacted] stated that he received the names of these last mentioned individuals from the office of the NSRP in Birmingham, Alabama.

b6
b7C

After approval of an application, an individual becomes a member of the NSRP on payments of a \$5.00 enrollment fee and must continue to pay membership dues of \$1.00 per month. All monies collected in this matter are used to offset local organization costs in New York State. [redacted] declined to furnish Detective [redacted] with a list of the New York State members of the NSRP.

b6
b7C

[redacted] stated that, from time to time, NSRP units will join picket demonstrations sponsored by some other group whose program may be similar to that of the NSRP. [redacted] stated the NSRP does not sponsor demonstrations, only joins others. On such occasions and when meetings are scheduled, according to [redacted] NSRP members wear the official uniform of the Party, which consists of grey shirt and trousers, black tie and shoes, and an arm band emblazoned with a thunderbolt.

b6
b7C

[redacted] stated that the aims of the New York State Chapter of NSRP are "for a white Christian America"; that his group opposes all Zionism as being "un-American and as dangerous to our freedom as communism." [redacted] stated that by Zionism he meant "Jews of any kind". [redacted] stated the NSRP demands that the Federal Government return the "right of self-government to the States in the Union on issues involving segregation in schools, housing and employment." [redacted] also stated that the issue of segregation in restaurants and rest rooms were matters for individual state determination rather than "federal interference".

b6
b7C

[redacted] stated that the NSRP is not affiliated with any other group and on those occasions when he has picketed with an organization called the Fighting American Nationalists (FAN), he did so as an individual and not as an official of

b6
b7C

BH 105-477

the NSRP. [redacted] stated that his group agrees with the program of FAN and the American Nazi Party (ANP) and plans to augment demonstrations by FAN and the ANP in the future. [redacted] stated that in his opinion, FAN is "a local Nazi, anti-Zionist group". [redacted] stated he has not become a member of either FAN or the ANP because it is against the policy of the NSRP for its members to have membership in these organizations.

b6
b7C

In the opinion of Detective [redacted] has greatly exaggerated the membership of the NSRP both in New York City and New York State, for even though the NSRP may have sympathizers in the New York area, there does not appear to be an active NSRP membership of any size in New York. Detective [redacted] pointed out that whenever the NSRP has participated in the past in demonstrations in New York City only [redacted] and his [redacted] have participated as NSRP members with the exception of [redacted] when they were joined by [redacted] NSRP member from [redacted] during picketing outside St. Nicholas Arena, New York City, where the annual dinner for "The Worker", east coast Communist newspaper, was being held.

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Re: American National Party
Racial Matters

On May 21 and May 29, 1962, a source, who is in a position to furnish reliable information, furnished the following information:

The American National Party continues to maintain the mailing address of Post Office Box 191, Gracie Station, New York 28, New York, but has not leased the premises at 97-15 190th Street, Hollis, Queens, New York, for over one month. The latter address consisted of a very small building utilized by the American National Party for the purpose of storing supplies. Captioned organization is currently attempting to locate a headquarters in the "Italian Harlem Section" of New York City but as yet has been unsuccessful.

The activities of the American National Party have consisted of demonstrations and picketings at Communist rallies which are advertised in advance in such publications as "The Worker" and the "National Guardian".

"The Worker" is an East Coast Communist newspaper.

A characterization of the "National Guardian" appears in the appendix section of this memorandum.

Captioned organization recently received unexpected publicity when it was linked with the OAS, the French Secret Army in Algeria. This resulted from sending a circular printed by captioned organization to the OAS in Algeria. Apparently the envelope containing the circular, supporting the OAS, was seen by an OAS sympathizer who was employed in the post office in Algeria. This individual saw that the circular printed by captioned party was delivered to OAS

Headquarters in Algeria where it was reproduced in both the French and English language and widely distributed. As a result some of the newspapers in the United States carried an item showing that the American National Party supported the OAS. Such publicity was most welcome since captioned group is in actuality a very small organization, struggling to increase its membership, and constantly in search of "free publicity".

The current membership of the American National Party consists of [redacted]

b6

[redacted] was an active member until approximately one month ago when he dropped from sight and his present whereabouts are unknown.

Attempts are being made by captioned group to have [redacted] designated as the American National Party [redacted] [redacted] Efforts to interest former American Nazi Party member [redacted] in becoming [redacted] captioned organization in [redacted] have apparently met with failure due to the lack of interest displayed by [redacted]

b6
b7C

The future plans of the American National Party call for the publication of anti-Negro literature which will be distributed in those areas of New York City where it is felt there is anti-Negro feeling. It is hoped that, through the distribution of this literature, the membership of the American National Party itself will be increased.

There will be no publication of any anti-Semitic literature since it is impossible to operate in the New York City area on a program of anti-Semitism. The primary aim of the American National Party is publication of literature aimed at anti-Negro elements and through circulation of this literature, recruitment of new members.

American National Party

Concerning other organizations, the Fighting American Nationalists (FAN) branch in Chicago has dissolved and is now known as the American Nazi Party with [redacted] Another organization [redacted] active in Chicago, the White Youth Corps, [redacted] in reality a front group of the American Nazi Party.

b6
b7C

The National States Rights Party (NSRP) of Birmingham, Alabama, has promised to furnish its mailing list for the New York City area to captioned organization in return for members of the American National Party becoming members of the NSRP. Captioned organization, however, is not interested in such an arrangement.

GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party, intends to use the New York City Chapter of FAN to eventually establish a branch of the American Nazi Party in New York City; however, to date there has been no activity in this regard.

Characterizations of the American National Party, the American Nazi Party, FAN, FAN, NYC, and the NSRP are attached hereto and all sources, with the exception of the source used in the characterization of captioned organization have furnished reliable information in the past. The source in the characterization of captioned group is in a position to furnish reliable information.

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted]

Why does the Eichman hanging produce news? Eichmann responsible for the "murder of 6 million Jews? Where did all these Jews come from? Germany's Jewish population before War II was a little over half a million. After war I it was less than a third, yet despite of Hitler's Jewish excesses, the German Jewish population continued to increase? How come? One would think there would have been an exodus rather than an influx? 6,000.000. Why were not some of these Jews fighting for the land that gave them birth? That's why they had to be put into concentration camps. So good look to the Germans. Concentration camps are just the places for cowards and traitors during war. Did not we put Japanese, and Germans in concentration camps during the last war, war II?

As I see, it, Jews of 1940 would only fight for Soviet Russia. And Soviets do praise Jewish bravery. They would sell their country lock stock and barrel to the Soviets.

Germany, surrounded by enemies, at war, with a disloyal Jewish population of a million or two, mostly Polish Jews. Concentration camps were plenty good for them.

BUT HOW ABOUT JEWISH CRUELTY AND BARBARISM? The Eichman Trial was vengeance seeking, propaganda. He was kidnapped, thus violating international law. How about, the million refugees, on Israel's border? One of the most heinous peace time crimes of the century. And the irony of it is that USA harbors these criminal Jews, and pays the bill for the refugees. In this land of inhumanity is the seat of Justice which condemned just another German soldier of war to death after 20 years.

Not one word do we hear about Jewish Savagery in Franco Spain civil war. Not a word about the Jewish Bolsheviks, who caused the murder of 20 million christians. How about Katyn Woods Massacre. The Million & ~~a half of the German army~~ that disappeared in Russia after war II.

Nowhere in the wide world is so much written about Nazi atrocities than in New York, catering to our big Jewish concentration, thus we are catering to our Soviet enemies, propandizing their cause, nullifying our enormous

DETAILS:

"THE THUNDERBOLT" - Publication of the NSRP

"The Thunderbolt" is self-described as the "Official White Racial Organ of the NSRP".

A characterization of the NSRP is set forth in the appendix to this report.

Issue No. 38 of "The Thunderbolt" for January, 1962, on Page One carried an article which reads as follows:

BH 105-477

"On this page we photographically reproduce an amazing article from the 'American Jewish Examiner.' Every major Jewish newspaper in America carried this interview with this high ranking Jewish General. The daily press is carrying on a fake campaign to make the American people think Communism has turned against the Jews. At the same time Jewish leaders are confidentially informing the average little Jew that Russia is still under Communist Jewish Domination.

"The average Jew lives in mortal fear that if the American people ever found out that Communism was Jewish, great programs would break out in every American city against the Jews. Also if Atomic warfare breaks out the Jews are afraid they might be blamed and punished by the American people. Therefore, there is a great campaign in the daily press with false reports on 'Anti-Semitism in Russia'. It is true that Anti-Communist White Russians are against the Communist Jews ruling Russia. But, the Soviet Government is not Anti-Semitic, because the Government itself is run by Jews. Just keep in mind that the head of the Soviet Bank is a Jew named Ashburg and Khrushchev himself has a Jewish wife and his half Jewish son married a Jew. Thus, Khrushchev's grandchildren are three-fourths Jewish. Please study this Jewish General's words carefully and note where Jewish Generals are in command of vast land areas of Russia. Everyone in Russia is under the iron fist of the Red Army - which is ruled by these vicious Jewish Generals."

Page One of this issue also carried an article which apparently was the article mentioned above. This article in part reads as follows:

"SOVIET JEWISH GENERAL
ASSERTS USSR IS 'ABOUT
TO LIQUIDATE' BIGOTRY

"Soviet officials were doing their 'utmost' to liquidate popular anti-Semitism, he said: 'I was

BH 105-477

"a delegate at the last Communist Party Congress. With me were countless other Jews - generals, physicians, scientists and engineers. A Jewish general is in command of the Far Eastern Region, other Jews command other military areas, divisions, whole fronts. Can things like this happen in the United States, England or France?"

"He declared that the fight in the Soviet Union against anti-Semitism was considerably accelerated after the fall of Lavrentia Beria, Stalin's secret police chief, who was liquidated by Khrushchev, 'when I myself was promoted from colonel to major general. Other Jews carry still higher rank in the Soviet forces.' He estimated that more than 100 Jews hold the rank of general in the Soviet Army."

Page One also carries an article captioned, "KENNEDY ILLEGALLY IN OFFICE", which article is continued on Page Three.

This article in part states:

"Kennedy stole the election. He took Illinois by less than 10,000 votes (which was delivered by the Jew Chicago political boss, Jake Arvey). Texas barely went to Kennedy with the help of the greatest vote stealer of all, Vice President Lyndon Johnson). If Nixon took both Texas and Illinois as all mature observers say he did, he would have had enough electoral votes to be elected president. WE FEEL NIXON ACTUALLY WAS ELECTED PRESIDENT, BUT FAILED TO HAVE THE GUTS AND FORTITUDE TO DEMAND INVESTIGATIONS INTO WIDE SPREAD VOTE STEALING IN ILLINOIS AND TEXAS."

The above article also reflected:

"WE DON'T NEED TO IMPEACH WARREN, KENNEDY HAS ALREADY SAID WARREN WOULD BE REPLACED BY THE JEW RIBBI-COFF, WHAT WE NEED TO DO IS TO IMPEACH THE TYRANT KENNEDY. IF YOU AGREE WITH THIS, WRITE AND LET US

BH 105-477

"KNOW. THE N.S.R.P. IS NOW CONSIDERING A NATION WIDE PETITION CAMPAIGN TO IMPEACH THE NUMBER ONE SCOUNDREL OF THEM ALL. THE SO-CALLED 'PRESIDENT' JOHN KENNEDY IS HOLDING OFFICE ILLEGALLY DUE TO OBVIOUS VOTE STEALING IN TEXAS AND CHICAGO. KENNEDY MUST GO, AND CONGRESS CAN RULE UNTIL AN HONEST ELECTION CAN BE HELD AND A POPULAR CANDIDATE ELECTED WHO CAN POLLAT LEAST HALF THE TOTAL VOTES CAST!"

Pages Four and Five of Issue No. 38 carried an editorial entitled "INSIDE U.S. COMMUNIST PARTY MOSCOW DIRECTED TREASON".

Pages Six and Seven of this issue also contained an article entitled "THE INTERNATIONAL JEW" by "Henry Ford, Founder - First President of the Ford Motor Company".

Page Eight of Issue No. 38 of "The Thunderbolt" for January, 1962 carried an article captioned "DELAWARE ON GUARD". This article reflected that "State Chairman John W. Marshall, Route 2, Middletown, Delaware, is responsible for this recent publicity in the fight against 'Freedom Riders' along Rt. 40. This is the kind of minuteman action which is needed throughout the nation."

Also noted on Page Eight of Issue No. 38 was an article "ANTI-'RIDER' UNIT RT. 40 VIGIL", which reflected the following:

"Since today's Route 40 Freedom Ride has been called off, the 'scouts' of the National States Rights Party won't be on duty.

"John Warren Marshall, Middlwtown farmer who is state chairman of the party which

"ACCORDING TO the letter, the 'scouts' would notify each restaurant of the approach of the riders. It continues with:

BH 105-477

"Upon notification we suggest that you post a 'closed' sign on your door and let NO ONE in until the integrators have left."

This article also reflected that Mrs. HELEN GIBASON of Collins Park, was the party's secretary-treasurer.

Page Eight also carried an announcement captioned "MARYLAND", which stated that Maryland membership was growing rapidly and that all interested should write "NSRP, P.O. Box 27, Damascus, Md."

Page Eight of Issue No. 38 also carried an article captioned "NEW YORK" which reflected that Mr. WILLIAM H. HOFF, P.O. Box 1243, Brooklyn 1, N.Y. would assume the position of New England organizer. This article urged all members to give Mr. HOFF their complete cooperation and indicated that he would be contacting the members soon.

Page Eight of Issue No. 38, also carried an article captioned "GEORGIA", which in part stated:

"Mr. Jerry Dutton, 410 E. Howard Ave., Decatur, Ga., is shown here with his well trained police dog. Negroes have a great fear of dogs and NSRP Youth Leader, Jerry Dutton is going to start his own K-9 Corps in the Atlanta area. Mr. Dutton has led numerous picketings against school mixing recently."

Issue No. 39 of "THE THUNDERBOLT", on Page Three carried an article captioned, "CROMMELIN OPENS DRIVE FOR U.S. SENATE", which reflected that JOHN G. CROMMELIN, Rear Admiral, U.S. Navy, (retired) as of February 5, 1962 was a candidate for the U.S. Senate with his campaign headquarters at "Harrogate Springs - P.O. Box 441, Wetumpka, Ala."

Page Three of this issue also carried an article which in part states:

"The most important election being held today, so far as the Racial Right Wing is concerned -- is being held in Alabama for the seat of Sen. Lister Hill. On this page, we re-produce Crommelin's opening campaign statement. Please study over this document closely. Alabama is used to rough and tumble political campaigns, but the fight Admiral Crommelin is bringing to the people is one that is almost beyond the imagination of most of you. Admiral Crommelin stumps the state from one end to the other in his sound truck. At every corner and crossroad he is exposing the real enemy -- the satanic JEW! Crommelin pulls no punches -- in every speech, he names the traitors in office -- he tells the people that it is the Jew who is behind Communism and Race Mixing -- that it is the Jew who has bought control of our government in Washington."

Pages Six and Seven of Issue No. 39 contain an article entitled, "THE INTERNATIONAL JEW", which reflected that it had been written by HENRY FORD, Founder - First President of the Ford Motor Company.

Issue No. 39 on Page Eight also carried an editorial captioned "MONTGOMERY TO HEAR OREGON LEADER". This editorial states:

"REV. BENJAMIN TO SPEAK IN MONTGOMERY.

"The Oregon State Chairman of the NSRP, Rev. Dale J. Benjamin, will speak to the regular Monday night meeting of the Montgomery NSRP Branch on March 5 at 'Chester's Restaurant' on the Mobile Highway. Rev. Benjamin is on a speaking tour of the South with his inspiring message. We hope all Montgomery members will turn out to hear this courageous NSRP leader from Portland, Oregon. Bring your neighbors, wives and children out to hear his message."

Issue No. 39 on Page Eight also carried a photograph of a youth carrying a placard on which was printed, "Impeach The Kennedy Tyrants!" Above the photograph was

BH 105-477

the statement "NSRP YOUTH DEMAND KENNEDY INSPEACHMENT IN ATLANTA MARCH". Below the picture was "JERRY DUTTON KEEPS HIS MEN ON THE FRONT LINE".

Issue No. 40, of "THE THUNDERBOLT" for March, 1962 devoted the entire first page and most of Page Seven to an article captioned "KENNEDY MUST GO". This article carried a subcaption "NSRP Begins Impeachment Proceedings" and set out fifteen grounds on which the NSRP reportedly was seeking the impeachment of President KENNEDY. This article reflected that the National Headquarters of the NSRP was P.O. Box 783, Birmingham, Alabama.

Page Two of this issue was devoted to the endorsement of JOHN G. CROMMELIN for the U.S. Senate from Alabama and was captioned "CROMMELIN PLATFORM FOR ALL AMERICANS". CROMMELIN's platform was set out and reads in part as follows:

"WHEREAS, We White Christian Americans are the greatest freedom-loving, the greatest anti-communist people on earth but our Government in Washington is controlled by the 'communist-jewish conspiracy' and seventy-eight (78) jews placed in key positions (few were ever elected) -- the strangest political paradox in all history,

and,

"WHEREAS, The most serious threat to the security of these United States is not the EXTERNAL economic, military or psychological power of Russia but the even more deadly INTERNAL menace of the world-wide 'communist-jewish conspirach' with headquarters in New York City and Washington, D.C., that controls not only our Federal Government and the Communists in America but the communist Russians as well,

and

* * *

"WHEREAS, The Key to Survival is a thorough understanding of the communist-jewish conspiracy by White Christian Voters and timely positive action by the Congress of the United States, and especially the U. S. Senate, to ATTACK, EXPOSE, STOP AND CLEAN OUT the traitors and dupes who have all but taken over our public communications and Federal Government.,.

and

* * *

"WHEREAS, As a result of my twelve long years of continuous fire upon the 'real target' the 'enemy within', and five state-wide political campaigns, and the distribution of hundreds of thousands of literary tracts, exposures and brochures, EVERY WHITE CHRISTIAN VOTER IN ALABAMA WITH 'BAT BRAINS' now knows that 'COMMUNISM IS JEWISH FROM START TO FINISH' and that today's communists are simply another name for so-called Bolsheviks of the late nineteenth century and the satanic Pharisees who were condemned by Our Lord Jesus Christ."

Page Three of this issue carried a heading "JEWS SMEAR CROMMELIN AND NSRP", under which was set out an article captioned "Crommelin, Retired Admiral, Running Again in Alabama," and a subcaption "Bigot, Spewing Hate, Seeks Senate Seat". This article, in part, reads as follows:

"Anti-Jewish and anti-Negro agitators are concentrating their efforts in Alabama this month, where a retired Rear Admiral, John G. Crommelin, is running for the United States Senate nomination on a platform reminiscent of the hey-day of the nazis.

"Strongest support for Crommelin comes from the National States Rights Party, whose newspaper, 'The Thunderbolt,' identifies itself by a conspicuous 'lightning flash' emblem on the masthead, similar to that once made notorious just after the last war when it was the insignia of the Columbians - a group which tried to set up a 'private police' force in Atlanta, Ga., along racist lines."

Pages Four and Five of this issue also carried an article entitled "THE INTERNATIONAL JEW", which reportedly had been written by Henry Ford, Founder - First President of the Ford Motor Company.

Issue No. 41 of "THE THUNDERBOLT" for April, 1962 on Page One carried an article entitled "IMPEACH KENNEDY CAMPAIGN GROWS". This article, in part, reads as follows:

"Why do we want to impeach President Kennedy? In his two years of public office Kennedy has helped the Communists more than any other president and here are the main reasons why he should be impeached:

- (1) Has invited Communists to join our NASA Space Projects.
- (2) Has cut off all aid to the Prince of Laos for not taking the Communists into his Government.
- (3) Has come out in favor of sending grain to Communist China and North Korea.
- (4) Supported the war against the Anti-Communists in Katanga.
- (5) Withheld promised air support for the invasion of Communist Cuba.
- (6) Punished General Walker and Officers for being against Communism.
- (7) Freed two Communist spies, Col. Rudolph Abel and Willie Hirsch.

"In view of these Kennedy antics we urge ALL patriots to join those who have already started getting petitions signed and give us the support we need to present hundreds of thousands of these signed petitions to Congress. When enough of these petitions have been returned to the N.S.R.P. we will send a delegation to Washington and DEMAND that Congress start impeachment proceedings immediately. If you have not received your petition or want more copies send your request to Dr. Edward R. Fields, Box 783, Birmingham, Alabama. Do your part."

Page One of Issue No. 41 also carried an article entitled "ADMIRAL CROMMELINS CAMPAIGN STEAMROLLS". This article endorsed CROMMELIN and stated in part in regard to this political race in which CROMMELIN was involved:

"Because of the great Christ Vs Anti-Christ aspect of this unusual political race, America's most outstanding Christian ministers have traveled to Alabama to rally White Christians behind Admiral Crommelin."

This article also stated in part as follows:

"From far & wide they have come to spend these final critical three weeks beside the brave Admiral who has dared name the real (Jewish) enemy. These ministers now here in Alabama for Crommelin are: Rev. Owen F. Polito of St. Petersburg, Fla., Rev. Wesley Swift of Los Angeles, Calif., Rev. Dale J. Benjamin of Portland, Oregon and Rev. Gordon Winrod of Little Rock, Ark., Reverends Polito, Benjamin and Winrod are all NSRP members, with Rev. Winrod being our new National Chaplain.

BH 105-477

"These ministers and Admiral Crommelin are managing 5 sound trucks all over the state blasting away the Christian message that Communism is Jewish from start to finish and that racial integration of we white people is a Jewish directed scheme to mongrelize the White Race, so that the almighty Jew can sit upon a throne to rule a world populated by a mass of mulatto like zombies. We urge you to act now to get your friends and neighbors out to vote for Admiral Crommelin."

NSRP ACTIVITY IN ALABAMA

On February 23, 1962, Birmingham Confidential Informant T-1 made available a "Personal Newsletter" dated February, 1962, which reflected that it was published by the "NATIONAL STATES RIGHTS PARTY, DR. EDWARD R. FIELDS, INFORMATION DIRECTOR, P. O. BOX 783, Birmingham, Alabama."

This newsletter was signed by DR. EDWARD R. FIELDS and in part reads as follows:

"The Jewish dominated air waves, newspapers and magazines have begun a hysterical campaign against 'Right-Wing Extremists'.

* * * *

"Almost every Jewish publication and every major Jewish organization has issued public statements that what they fear most is that these so called mild anti-communist organizations may become 'anti-semitic'. IN OTHER WORDS THEY FEAR THAT A LITTLE ENLIGHTENMENT ON THE PART OF THE PEOPLE MAY LEAD TO A TOTAL EXPOSE OF THE PLOT OF THE JEWS and turn the present Anti-Communist program of today into a giant mass drive to rid America of the Jewish problem.

"The National States Rights Party is today the largest organized Anti-Jewish organization in America. (We are also the least smeared - the Jews don't want the people to even know we exist.) Let's mince no words about it. THE NSRP IS AN ANTI-JEWISH ORGANIZATION. Keep in mind the difference between the words anti-Semitic and anti-Jewish. The Arab peoples are the only true Semites on earth - the term anti-Semitic is to confuse the people and is a smear word. We are for the Arab in his fight to liberate the Holy Land from the Zionist Jew - we are therefore pro-Semitic. But, we are Anti-Jewish as we oppose what the Jew as a RACE is trying to do to our Race, Nation and Faith. The Jew opposes and fights everything that we stand for. We, therefore, oppose and fight absolutely EVERYTHING that the Jew stands for.

"It is because we Love our Children, we Love our Country, we Love the Good Things, and the highest standard of living in the world that God granted this nation. We want to see America advance to being the greatest Nation the world has ever seen. We want to see great cities, modern homes for all, illiteracy and disease wiped out. We want all the land developed for both farming and industry. America has just begun to tap its natural resources. We want to save this great nation from bankruptcy through foreign aid and wasteful spending. If we are to show the world the way to peace and civilization, we must be a solvent model for the world to look to. Summit meetings and the co-existence alongside Communism just places us on the same level with Communism. The United Nations not only places us on the same level with Communism, but with the cannibal in Africa. We believe America should be free from international entanglements and free to deal with friendly foreign nations from a diplomatic level for which the position of Ambassador was first created.

"On Every one of these points we run headlong into Jewish opposition. America cannot be saved until we are first free of Jewish domination. America is the land of the White American, not the Asiatic Jew.

"The Jew in America has reached his peak, he now faces the beginning of his downfall. He is now so high, that he has a long way to fall, but by an all out effort on our part we will hasten the eventual day when America will be free from the Jew and we can once again rejoice with our families and friends, that we have regained our freedoms and can work to fulfill the destiny our forefathers began when this free Republic was first founded.

On April 1, 1962, BH T-2 made available a one page leaflet captioned "IMPEACH KENNEDY" which also carried a caption "A PETITION TO IMPEACH PRESIDENT JOHN F. KENNEDY", and reads as follows:

"WHEREAS; The U.S. Constitution gives we, as citizens, the right to begin impeachment proceedings, we do hereby request that the U.S. House of Representatives compel John F. Kennedy to stand trial before the U. S. Senate on the following charges:

- 1) Has invited the Communists to join our NASA Space projects.
- 2) Has cut off all aid to the Prince of Laos for not taking the Communists into his Government.
- 3) Has come out in favor of sending grain to Communist China and North Korea.
- 4) Supported the war against the Anti-Communists in Katanga.
- 5) Withheld promised air support for the invasion of Communist Cuba.
- 6) Punished General Walker and other officers for being against Communism.

- 7) Freed two Communist spies, Col. Rudolph Abel and Willie Hirsch.
- 8) Continues to send aid to Communist Yugoslavia and Poland.
- 9) Ordered the U. S. Post Office to distribute Communist mail into U.S. Free of charge.
- 10) Uses Federal Marshalls to escort CORE 'Freedom Riders' through the South.
- 11) Has filled the Government with extreme Left-Wingers and Communist sympathizers.

For these and other acts giving aid and comfort to the enemies of the United States of America we the undersigned respectfully petition the Congress of the United States to begin impeachment proceedings."

This blank petition carried space for twelve signatures plus space for the complete address of the signers. The petition also stated that more copies of the petition form could be obtained upon request and the petition also solicited donations to help take care of the handling and postage. The petition further requested that the petitions after being signed be returned to "NATIONAL STATES RIGHTS PARTY, DR. EDWARD R. FIELDS, INFORMATION DIRECTOR, P. O. BOX 783, BIRMINGHAM, Alabama."

Issue No. 41 of "THE THUNDERBOLT" on Page Two carried an article captioned "MONTGOMERY MEETINGS PACKED". This article states:

"The National States Rights Party holds meetings every Monday night at 'Chester's Restaurant', 3500 Mobile Hwy., in Montgomery. Recently the Harmony Boys Quartet of Montgomery joined the NSRP. They began singing at these regular NSRP meetings and attendance immediately jumped. The meeting hall is

"now packed every Monday night. After the speakings, the Harmony Boys entertain as late as the people wish, many times folks stay till after midnight to listen to the wonderful music these new members provide. All this, plus the world's best food being served at 'Chester's' are two reasons the NSRP has become so strong in Montgomery. This serves as a model for other Branches of the NSRP to follow, music and refreshments will keep members and their friends attending meetings regularly.

"The Harmony Boys Quartet are James Craft, G. E. 'Red' Cannon, Lee McHee and Dennis Pouncey. These men are becoming one of the nations finest entertainers in the Gospel field. They are also heard over W.B.A.M. a 50,000 Watt radio station in Montgomery every Sunday afternoon at 12:30. This group was officially organized two months ago and in this short length of time have traveled extensively and have recently recorded their first High Fidelity L.P. record. It consists of twelve of their most requested hits. This record can be obtained by writing the Harmony Boys, P. O. Box 8007, Montgomery, 10, Ala. The price is \$4. The NAACP supports their negro artists, so let us White people support this group of fine Christian young men.

"The Montgomery NSRP Branch has grown so fast that they have given 'The Thunderbolt' a standing order for 1,000 copies of every issue of this newspaper for mass distribution over the city of Montgomery every month from now on. Other NSRP Branches will have to work hard to catch up with this outstanding group in Montgomery."

Page One of Issue No. 41 of "THE THUNDERBOLT" for April, 1962, carries a photograph of a man standing beside a car, on top of which was a sign reading "Elect John G. CROMMELIN U.S. Senator". Also, "Clean the traitors out". Under the photograph appears "JAMES WARNER DRIVES N.S.R.P. CAR TO HELP ELECT CROMMELIN."

BH 105-477

Page Seven of this issue further stated that JAMES K. WARNER was the new Associate Editor of "THE THUNDERBOLT" and that Dr. EDWARD R. FIELDS was the Editor, of "THE THUNDERBOLT".

Issue No. 41 of "THE THUNDERBOLT" on Page Eight carried an article captioned "JAMES K. WARNER 'THUNDERBOLT' ASSOCIATE EDITOR". This article reads in part as follows:

"The Editor and Staff of THE THUNDERBOLT, official organ of the National States Rights Party are proud to announce the addition to James K. Warner to the staff of 'The Thunderbolt' newspaper. Mr. Warner will serve henceforth in the position of Associate Editor. He will work closely with Dr. Edward R. Fields in Publishing this patriotic newspaper for you our fellow members and supporters.

* * *

"Mr. Warner was born and raised in Wilkes-Barre, Penn. He served in the Naval Reserves from which he was Honorably Discharged. He finished High School, entered the U. S. Air Force and later was Honorably Discharged.

* * *

"He was Pennsylvania Organizer for the National States Rights Party from 1960 to 1961 and organized a picketing of Sammy Davis, Jr., in New Jersey. When racial agitation was started by Freedom Riders on Route 40 in Maryland, Mr. Warner rushed to the scene with a crew of men and much literature to form the core of White resistance."

He now has founded an Independent Lutheran Church in Little Rock, Arkansas, where he was forced by Church ecclesiastical officials into leaving the First Lutheran Church, Little Rock, Ark., because he openly preached against the Jews as Christ did, as John and Peter did, as Luke did, as Paul did, as the Popes did, and as Luther himself did, and as his father, Dr. Gerald B. Winrod did.

"Rev. Winrod is 35 years old, married and has 6 children, and expecting another child any day."

On Page Seven of Issue No. 41 of "THE THUNDERBOLT", appears an article captioned "MRS. BISHOP RAPS REFUSAL TO 'DEBATE'". This article reflected that Mrs. E. L. BISHOP of Little Rock, Arkansas was National Vice-Chairman of the States Rights Party.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the ANP, advised Special Agents of the Federal Bureau of Investigation that the FIGHTING AMERICAN NATIONALISTS (FAN) was [redacted] as an anti-communist organization. ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER.

b6

Ré: American National Party
Racial Matters

On August 1, 1962, a source who has furnished reliable information in the past, furnished the following information:

The American National Party continues [redacted]

b7D

The American National Party which was formed originally on November 24, 1961, is presently composed of [redacted] all former members of the American Nazi Party (ANP), who left the ANP because of policy disagreements with George Lincoln Rockwell, ANP leader.

b6
b7C

The membership of the American National Party has gradually declined since its formation and is in danger of complete dissolution because of the lack of interest displayed by its present members. There has been no real activity by members of the American National Party because [redacted] wishes to continue the picketing activity of the American National Party against Communist Party (CP) meetings whereas Burros and Grandinetti feel that picketing with only three persons is ineffective.

b6
b7C

[redacted] feel that the main activity of captioned party should be placed on the recruitment of additional members so that with the increased membership the American National Party will become an effective instrument for demonstrations against the CP and CP front organizations.

b6
b7C

The American National Party has been unsuccessful in obtaining a headquarters as it had intended to establish in the "Italian Harlem Section" of New York City because it lacks sufficient funds to rent a suitable headquarters and because it has so few members.

Re: American National Party

[redacted] seems to have lost all enthusiasm in connection with activity with captioned group and has reportedly been in contact with [redacted] of the National States Rights Party (NSRP), in Birmingham, Alabama. [redacted] he asked [redacted] to join the NSRP and has guaranteed [redacted] a steady salary if he comes South and works for the NSRP. [redacted] will attend the NSRP convention scheduled to be held sometime in September, 1962, in Florida and intends to discuss with [redacted] the possibility of joining the NSRP. [redacted] also has a strong dislike for living in the New York City area and would like her husband to take up residence in the South.

b6
b7C

The most recent activity of the American National Party is publication of a pamphlet entitled "Kill!" edited by Dan Burros, previously mentioned.

[redacted] realizes this pamphlet is extremely inflammatory and possibly a violation of law because it tends to arouse the "white man" to possible violence against his "enemies." In view of this, captioned party will not accept any subscriptions to this pamphlet but will distribute it carefully. The main purpose behind the pamphlet is to secure publicity and notoriety for captioned group and members of the group feel that this pamphlet may accomplish this end.

b6
b7C

Several hundred copies of the pamphlet "Kill!" were reportedly shipped abroad to the British National Party, Hilltop, Manchester-Road, Thornton Heath, Surrey, England, and to the National Socialist Movement, 42 Tudor Avenue, Broad Lane, Coventry, England, both described as strong nationalistic groups.

There are no immediate plans for any further activity by the American National Party in the New York City area.

Characterization of the American National Party, American Nazi Party and National States Rights Party are contained in the Appendix hereto and sources mentioned therein have furnished reliable information in the past.

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

RE: NATIONAL STATES RIGHTS PARTY
NATIONAL CONVENTION TO BE HELD IN
MONTGOMERY, ALABAMA
SEPTEMBER 1 - 3, 1962

"The Thunderbolt," self-described as the Official White Racial organ of the National States Rights Party, in its Issue No.44, dated August, 1962, on Page 3, carried a masthead captioned, "Montgomery to be Host to National States Rights Party Labor Day Convention."

The following article appeared under the above-mentioned masthead.

"NSRP CONVENTION MOVED TO MONTGOMERY ALABAMA

"The annual NSRP Convention has been changed from St. Petersburg to Montgomery, Alabama. Since our announcement in the last issue of the Thunderbolt many patriots have written us about attending the convention and many indicated that St. Petersburg would be too long a trip from where they were located.

"Montgomery, Alabama is known as the Capitol of the Confederacy and is one of the main tourist centers of the South, as well as a solid segregationist city. Being more centrally located most patriots in the South can reach Montgomery in one day by car and those from the North and West can plan their vacations so as to allow enough time for the trip.

"The NSRP has received commitments from people as far away as New York, Massachusetts, Arkansas, Ohio, California and Texas to attend the convention, as well as many from the closer Southern States. In view of those members and supporters from far away coming to the convention, every patriot within 1 day

driving distance of Montgomery should make it a definite point to attend. Right wing patriots from other organizations are invited to attend as well as we feel that this convention will give patriots a chance to gather together and help unify them under one banner.

"Those arriving in Montgomery for the convention should go directly to CHESTERS RESTAURANT, 3500 Mobile Highway, Montgomery and register to attend the convention. Registration will start on Saturday September 1st at 12 noon and continue till 10 p.m. registration will continue during the convention for those who arrive late, Sunday the 2nd the day before Labor Day.

"The First session of this one day convention will start at 12 noon Sept. 2nd and continue till 5 p.m. at which time a 1 hour intermission will take place to give patriots time to eat supper and the second session will start at 6 p.m. and continue late into the night.

"As patriots register at Chesters Restaurant they will be given the directions to the Convention Hall and information on overnight accomodations at local Hotels and Motels. Patriots can also eat good Southern food at Chesters restaurant and hear the States Rights Quartet sing while eating. Chesters Restaurant has eating accomodations for over 400 people."

Page three also carried another article which stated that Montgomery, Alabama, is to be the site of the National States Rights Party Convention for 1962. This article in part reads as follows:

"All patriots are requested to stay at the "Whitley Hotel." Reservations can be made by writing "The Thunderbolt," Dr. Edward R. Fields and staff will be registered at the Whitley. All should contact Dr. Fields on arrival.

"Nationally known speakers are to address the convention.

"Write now if you plan to attend. A convention brochure is to be issued detailing sessions of the convention and speakers.

"Date: Sept. 2

"Time: 12:00 on till-

"Registration: All day Saturday, Sept. 1st at "Chester's Restaurant" 3500 Mobile Rd.

The August, 1962, Issue No. 44, of "The Thunderbolt," published by the National States Rights Party, on Page 1, carried a photograph of and article concerning Rev. OREN F. POTITO, described as the National Organizer of NSRP. This article states that POTITO had been holding a series of NSRP meetings in Alabama and Florida, mainly concentrating his efforts in Florida. The article stated that on June 18, (1962), Rev. POTITO spoke at Chester's Restaurant in Montgomery, Alabama, and that since that time he has conducted meetings in Tampa and St. Petersburg, Florida, as well as in Miami, Florida.

The above article also contained a statement to the effect that any Florida members of the NSRP who would like to have Rev. POTITO hold meetings in their areas should contact Rev. POTITO by writing P. O. Box 10924, St. Petersburg 33, Florida.

Page 1 of the above issue also carried an article captioned "Petition for Ten Million Names Being Circulated." This article stated that NSRP National Organizer Rev. OREN F. POTITO had announced that some 30,000 Christian Americans had signed petitions to restore prayer in the public schools. It also stated that in recent weeks, many Americans had seen twelve members of the NSRP Youth Movement on the streets of St. Petersburg taking signatures and passing out "Thunderbolts." The article stated that immediately after the Supreme Court ruling banning prayers in the public schools, Rev. POTITO had set up the NSRP National Christian Congressional Committee, with its main purpose being to secure some ten million names for prayer in the schools and to curb the power of the Supreme Court. The article urged party members to write "The National Christian Congressional Committee, P. O. Box 10924, St. Petersburg 33, Florida," for free tape recordings of Rev. POTITO's radio broadcast.

Page 3 also carried an article concerning Rev. POTITO. This article stated that the NSRP is now on radio in Florida. It stated the NSRP Hour program is now being broadcast over radio station WZST in Tampa, Florida, and that Rev. OREN POTITO, National Organizer of the NSRP, was chiefly responsible for this program being on the air. It was stated that the NSRP program was on the air from 9:30 to 10:00 A.M. every Saturday morning and on three times a week for 15 minutes, exact time not shown.

Page 2 of the above issue sets out an article reflecting that the NSRP was proud to announce that the "Hon. JESSE L. JAMES, III, the grandson of the original JESSIE JAMES," had joined the NSRP. The article stated that Mr. JAMES was an authority on Civil War history and that he was dedicated to carrying on the fight for the "White Race" that his famous grandfather started. It was stated that Mr. JAMES was an active NSRP member and was "helping us organize in Colorado."

Page 3 of the above issue carried an article captioned "N. Y. 'Storm'". This article stated that the New York NSRP publishes the "STORM."

BH 105-477

The above article further stated that copies of the "Storm" can be obtained by writing "'The Storm', % NSRP, New York Branch, P. O. Box 1243, Brooklyn 1, New York." The article stated that Mr. WILLIAM HOFF is the New York State Director, and DOMINIC RUSSO is the Editor, and urged NSRP members and supporters in New York State to contact Mr. HOFF and get information on how to organize units.

Page 3 also carried a photograph, under which appeared the notation "JIM THORNTON Studies Notes." Beside the photograph appeared an article which reflected that the California NSRP had been holding meetings and debates and that California State Organizer JAMES P. THORNTON held an outdoor meeting in Anaheim, California. This article also carried information to the effect that all NSRP members should note that the new address of the NSRP of California is "NSRP of California, P. O. Box 461, Santa Ana, California."

Page 3 of Issue Number 44 also carried a photograph under which appeared "Mrs. E. L. BISHOP Arkansas Leader." Beside the photograph appeared an article stating that the NSRP of Arkansas can now run candidates for public office on the same status as either the Democratic or Republican parties of that state, due to a ruling of the State Attorney General. This article also stated that Mrs. E. L. BISHOP, Arkansas State Chairman and Vice Chairman of the National NSRP was chiefly responsible for that victory. This article continued by stating that the NSRP of Arkansas issued a monthly news letter which can be obtained by writing "Arkansas NSRP News Letter, P. O. Box 2565, Little Rock, Arkansas."

Also appearing on Page 3 was an article reflecting that Rev. GORDON WINROD, described as the NSRP Chaplain, now has a permanent church building, office, and parsonage. The article indicated that Rev. WINROD published a monthly news letter and stated that he had been making great gains for the NSRP and speaking all over the nation and had announced plans to start broadcasting over the radio in the near future. This article informed readers that "Patriots" can get a sample copy of the "Winrod Letter" by writing P. O. Box 1322, Little Rock, Arkansas.

BH 105-477

Pages 4 and 5 of Issue Number 44 were devoted mainly to information concerning the formation of a new NSRP School of Racial Studies and Leadership Training program. It was stated that EMORY BRUKE would be in charge of this program, and that the new education center in Montgomery, Alabama, would be the headquarters of the NSRP Youth Movement. It was also noted that National Chairman NED DUPES stated he had issued EMORY BURKE a membership card, marked with the Serial Number 1.

Page 5 also contains several photographs of BURKE and a photograph of Dr. EDWARD R. FIELDS and MAX NELSON were shown on this page,

DETAILS:

"THE THUNDERBOLT" - Publication of the NSRP

"The Thunderbolt" is self-described as the "Official White Racial Organ of the NSRP."

A characterization of the NSRP is set forth in the appendix to this report.

BH 105-477

Issue No. 42 of "The Thunderbolt" for May, 1962, carried a photograph of a man under which was printed the name "Rev. OREN F. POTITO." An article set below this photograph stated :

"Honorable NED DUPES, National Chairman of National States Rights Party takes great pride in announcing the appointment of Rev. OREN F. POTITO as National Organizer. Rev. POTITO was the recent campaign manager for Admiral JOHN G. CROMMELIN in Alabama. Rev. POTITO brought and worked full time here in Alabama broadcasting to the people.

"Rev. OREN F. POTITO was born in Boston, Mass. He presently pastors a church in St. Petersburg, Fla. Rev. POTITO is also an electronics engineer and radio operator. He has earned a degree in Business Administration and has studied law. Presently he is South Eastern Director of the Church of Jesus Christ Christian. Rev. POTITO received his Doctor of Divinity Degree at the California Headquarters of the Church, (Dr. WESLEY SWIFT is its founder.) Rev. POTITO serves as Minister to three congregations, in Tampa, St. Petersburg, and Jacksonville, Fla. Rev. POTITO sends out some 70 taped talks per week to Churches in his District, of which he is Director, comprising 14 Southern States. Rev. OREN F. POTITO is National Member of the Angol-Saxon Federation of America with branches in most all free nations of the world. He is a member of the American Archeological Asso., and President of the Paul Revere Foundation and Paul Revere Society. Also, he is the Commander of the U. S. Rangers. One of the major points in Rev. POTITO's religious endeavors is in educating the American people to the fact that the Jews are positively NOT God's 'chosen people,'"

BH 105-477

Page 1 of Issue No. 42 carried a headline "KENNEDY's Divorce Exposed!" and an article which in part reads as follows:

"Now, for the first time, "The Thunderbolt" publishes on this page the exclusive story of the official family tree report on DURIE MALCOLM (KENNEDY's first wife).

"This document on Mrs. KENNEDY's family tree is quoted from the 'BLAUVELT FAMILY GENEALOGY' and is on official record in the Library of Congress. Mrs. KENNEDY has in the past been married to Mr. FIRMIN DESLOGE, IV, and Mr. F. JOHN BERSBACH. Now the great question is, WHY HAS THIS VITAL INFORMATION BEEN SURPRESSED BY EVERY SINGLE NEWSPAPER, MAGAZINE, WIRE SERVICE AND T.V. NETWORK IN AMERICA? This information is known to these 'news' media, but they are supressing the story on purpose. There is a gigantic plot to propogandize the American people into forfeiting all political leadership to the Kennedy family. BOBBY (SOX) KENNEDY is now being built up to take his brothers place in the White House, after two terms For J.F.K. We now have little brother TEDDY coming along into the U. S. Senate to be the third heir in line for the throne. THE CONTROLLED PRESS KNOWS THAT THE DIVORCE SCANDAL STORY OF J.F.K.'s FIRST WIFE WOULD COMPLETELY KILL THE CATHOLIC VOTE AND MUCH OF HIS PROTESTANT SUPPORT. THIS WOULD BE THE DEATH BLOW TO THE KENNEDY FAMILY PLOT TO RULE AMERICA AS A DYNESTY, MANIPULATED BY THE MINORITY BLOC VOTE MACHINE. . . ."

Page 1 of Issue No. 42 also set out a statement which was captioned "Genealogy on KENNEDY's First Wife." The following statement was set out below this caption:

BH 105-477

"BLAUVELT FAMILY GENEALOGY.

"Compiled between 1926 and 1956, pub. 1957 by The Association of BLAUVELT Descendants; Sponsored by the BLAUVELT -- DEMAREST Foundation, Inc., and individual subscribers. Library of Congress Catalog. Card, No., 56-10936., p. 884, Eleventh Generation (12,427):

"DURIE (Kerr) MALCOLM, (mother) ISABEL O. COOPER, (no.) 11,3034). We have no birth date. She was born KERR, but took the name of her stepfather. She first married FIRMIN DESLOGE IV. They were divorced. DURIE then married F. JOHN BERSBACH. They were divorced and she married third, JOHN F. KENNEDY, son of JOSEPH P. KENNEDY, one time Ambassador to England."

Pages 4 and 5 of Issue No. 42 contained an article entitled "THE INTERNATIONAL JEW" by "HENRY FORD of the Ford Motor Company."

Page 1 of Issue No. 43 of "The Thunderbolt" for July, 1962, bore the headline "PRESIDENT KENNEDY'S DIVORCE EXPOSED." A photograph of KENNEDY and his wife was also set out on Page 1 and the question "Are they legally married?" was printed immediately below the photograph.

Page 1 of Issue No. 43 also carried an article which reads in part as follows:

"Issue #42 of "The Thunderbolt" was the first newspaper in America to break the KENNEDY divorce story into print. Since that time four other newspapers have had the courage to print it. "The Thunderbolt" let the KENNEDY skeleton out of the closet and the dust hasn't settled yet. We have received long distance phone calls from all over America for more information. Daily newspapers have contacted us, as well as three calls from U.P.I. Much more is known now and the

BH 105-477

"story is still breaking fast. Here are the latest news items:

"1) JOHN F. KENNEDY reportedly married DURIE MALCOLM in Oyster Bay, Mass., in March of 1940.

"2) After their divorce she married Mr. THOMAS SHEVLIN. She has been living in Palm Beach and Long Island. (The property they now live on in Palm Beach is owned by JOSEPH P. KENNEDY - the President's father.)

"3) She refuses to discuss the divorce with reporters. No one is allowed to bring the question up at KENNEDY's press conferences.

"4) Compilers of the Blauvelt Genealogy refuse to talk.

"5) On Monday, May 21st (after 'The Thunderbolt' exclusive hit the streets) BOBBY KENNEDY sent Justice Department agents to the Library of Congress where they removed the now famous 'Blauvelt Genealogy.' (Photostat appears on this page, made before the KENNEDY family began burning books and destroying documents. . .")

Page 3 of Issue No. 43 sets out photographs of SAMUEL I. NEWHOUSE, LEWIS ROSENSTIEL, and HARRY S. WEINBERG and also sets out articles written concerning each of them. Under the photograph of NEWHOUSE is printed "PRESS BARON OF NEW ORLEANS" and the article printed concerning him states:

"On June 4th Freedom of the Press died in New Orleans. At that time one SAMUEL I. NEWHOUSE, a Zionist Jew from New York City purchased both the cities morning and evening newspapers. He paid 42 million for the Times-Picayune and States-Item. This was the largest cash purchase in the history of

BH 105-477

"Journalism. Make close note of the growing list of newspapers on this page which have fallen into the octopus tentacles of the Newhouse family. It is the Newhouse habit to take over both morning and evening newspapers in a city. In Portland, Oregon, he had both the 'Oregonian' and the 'Oregon Journal.' In Springfield he moved into 'The Union' and 'The News.' In Syracuse, N.Y., he took over the 'Post-Standars' and 'Herald Journal,' not stopping there he took over the cities main T.V. Station, W.S.Y.R.-T.V. in Syracuse. In Birmingham, Ala., he bought out the 'Birmingham News' and has indirect influence over the 'Post-Hearld' as they must use his building and presses. He also took over the most powerful Birmingham T.V. station W.A.P.I.-T.V. In Syracuse, N.Y., he is involved in Anti-Trust suit for trying to take over all the news media of that city. When one man moves in and buys up all your newspapers and T.V. stations, you are living under the most tyrannical and despotic situation. . . . "

Over the photograph of ROSENSTIEL is printed "LIQUOR BARON." The editorial is captioned "LEWIS ROSENSTIEL Is Distiller King." The editorial was apparently written by "ALLAN KELLER, World-Telegram Staff Writer," and the first paragraph of this editorial reads as follows:

"None of the famous whiskies that bear his label has aged as well as LEWIS ROSENSTIEL, the grand old man of American distilling, who will celebrate his 70th birthday tonight at the Century Club in Purchase, N.Y. . . . "

Over the photograph of WEINBERG is printed "TRANSIT BARON," and the article printed concerning him in part reads as follows:

BH 105-477

"HARRY WEINBERG, the out-of-towner who recently won control of the Fifth Ave. Coach Line and its subsidiaries after a long stock fight, is one of the most controversial figures to hit New York in years. . . ."

At the bottom of Page 3 is a separate paragraph which is quoted as follows:

"JEWISH MONOPOLY OVER AMERICAN BUSINESS MUST BE BROKEN. ONLY THE NATIONAL STATES RIGHTS PARTY BEING ELECTED TO GOVERNMENTAL POWER CAN BREAK THIS SINISTER AND ALIEN FORCE WHICH IS DAILY DEVOURING FREE ENTERPRISE IN THIS UNITED STATES."

Pages 4 and 5 of Issue No. 43 carried an article entitled "The International Jew" by "HENRY FORD."

Page 4 of Issue No. 43 also set out an article entitled "Help Needed to Publish FORD Book," which reads as follows:

"It is going to take over two years for us to run the entire series as originally published in 'The Dearborn Independent,' official organ of the Ford Motor Co. We would like to publish this material in book form. It would be a 1,000 page book, hard cover with gold lettering. Our printer can do the job for \$4,500. If you are interested in investing in this worthy undertaking please write this office. Publication of this material in book form would have world wide effects.

"Dr. EDWARD R. FIELDS
Editor."

Page 8 of Issue No. 43 carried an article captioned "Atlanta-Gone With the Wind." This article states:

BH 105-477

"Atlanta-Going-Going-Gone!

"The pro-Communist N.A.A.C.P. holds its national convention in Atlanta, Ga., this year. The sell out mayor will open the convention by welcoming the scummy mob to the city. In preparing this city for the New York race mixers, the cities theatres, hotels, restaurants, etc., have been thrown open to the enemies of the White South. Atlanta has sunk as low as New York City. Atlanta is a disgrace to the South. The White people are moving out into the suburbs as quickly as possible. All of Georgia is looking toward the election of former Gov. MARVIN GRIFFIN to the Governorship and fighting Segregationist LESTER MADDOX as Lt. Gov. this Sept.. While it may be too late to save Atlanta, they can surely isolate the city from the rest of the state, and preserve White traditions in the surrounding areas. Let this be a warning to other cities to what can happen when Negroes and Jews form a political block in any city."

Issue No. 44 of "The Thunderbolt" for August, 1962, on Page 1 sets out an article entitled "Kennedy's First Wife Flys, to Switzerland."

The above article reads in part as follows:

"President KENNEDY's first wife, DURIE MALCOLM, has decided to take a vacation in Switzerland from the many requests for interviews about her former marriage to President JOHN F. KENNEDY. The two were married when J.F.K. was in his twenties. It was a rough and rocky road which ended in divorce. KENNEDY waited until he was in his mid-thirties before he married his present wife. The reason for all the mystery is that KENNEDY knows that if all this ever gets out to the general Catholic community, he and his entire family are dead politically for all time to come. Once Catholics know that he is NOT the good Catholic he pretends to be, and that he pulled the wool over the eyes of his church, the entire Catholic community will vote for anyone who runs against him.

BH 105-477

"Here is the latest news on the KENNEDY divorce story which continues to break into more details almost daily:

"WALTER WINCHELL in his July 25 column announces that 'The woman involved admits once dating the man (JFK) and he admits that too.' But, they still will not admit or deny the divorce story.

"Again commenting on The Blauvelt Genealogy document of the first marriage of DURIE MALCOLM to JOHN F. KENNEDY, WALTER WINCHELL stated on Aug. 1, 'Seven months ago we were told that if anyone "dared" to even hint at it, "they would be dealt with" - naturally, this sort of threat is enough to send a newspaperman chasing it down. The story was that JFK was married before he wed JACKIE; that PAPA JOE and friends had all records destroyed, that it no longer can be located in the Library of Congress, where it once appeared, etc.... A Washington columnist alleged that somebody was paid \$10,000 to remove it from the records.'"

Page 5 of Issue No. 44 carries a main heading "BURKE IS BACK," and a sub-heading "Policy Statements by EMORY BURKE." Page 5 contains several photographs of EMORY BURKE and also contains a photograph of BURKE with "MAX NELSON" and a photograph of BURKE with Dr. EDWARD R. FIELDS. BURKE's "Policy Statements" as set out on Page 5 were captioned as follows:

- "We Must Have the Youth"
- "Americanism"
- "Jew and Negro Problems"
- "Mongrelization"
- "Whiteman's Movement"
- "The Negro"
- "Slumbering Giant"
- "Race Foundation"

It was stated that BURKE would also direct the new Speakers Bureau of the NSRP.

The above-mentioned article pointed out that this building would provide living quarters for the students, office, and classroom, and that EMORY BURKE would be the President of the Training School. THORNTON held an outdoor meeting in Anaheim, California, on July 21. The article stated that this meeting was to have been held in the Keystone Savings and Loan Building in Anaheim on July 21, but that when time came for the meeting those arriving found the hall locked up. According to T-2, approximately 55 persons attended this meeting among whom was a representative number of members of the American Nazi Party in Chicago, Illinois.

T-2 also stated that [redacted] began the meeting with a 45 minute introductory talk in which he explained that the Institute for Biopolitics is an organization established to help prevent racial suicide by the white race and to help the white race to continue to exist without being "swallowed up" by the black masses. [redacted] stated that his purpose for calling this meeting was to explain this fact and to acquaint the people with the situation today.

b6
b7C

On [redacted] Birmingham confidential informant T-3 advised that only two individuals served as speakers during the course of the meeting on [redacted]. Source identified these speakers as [redacted] of the NSRP and GEORGE LINCOLN ROCKWELL, National Commander of the American Nazi Party.

b6
b7C

T-3 also stated that [redacted] in his opening remarks made reference to the critical racial situation that faces the white man today. [redacted] pointed out that the saturation point in man's continual crisis of evolution had been reached and that the white man must surpass this crisis to go to his doom. The task of the white man is not to preserve or increase life but to "cull it." The white race, [redacted] stated, which can and will change the shape of mankind, has become a dominant force in the world. Race nationalism is on the rise throughout the world. Source stated [redacted] offered as an example, the Black Muslims which he described as a race nationalist movement. He also cited as a second example the existence of Asiatic race nationalism in Communist China today whereby all outsiders are referred to as barbarians.

b6
b7C

BH 105-477

T-3 stated that [redacted] among other things remarked that he has never been a member of the original National Socialist German Workers Party nor is he now a member of the American Nazi Party. He noted he is well aware of the racial problems facing the white man today and that he has studied "this man HITLER." [redacted] stated that he, as a race nationalist, recognizes ADOLPH HITLER as a race nationalist, but stated HITLER was placed in an unfortunate position because he became involved in "German chauvinism."

b6
b7C

[redacted] theorized, source stated, that if ADOLPH HITLER had been born in Chicago or Detroit he would be a participating member of organizations such as the Institute for Biopolitics, the National States Rights Party, and the American Nazi Party. However, [redacted] remarked that what is today is today and that is what is important. The past should be of no concern to us. We recognize traditions, we recognize errors, we recognize our mistakes.

b6
b7C

T-3 further advised that [redacted] introduced GEORGE LINCOLN ROCKWELL as the National Leader of the American Nazi Party. T-3 stated that ROCKWELL spoke at great length concerning his belief and opinions and charged "that Jews are destroying our youth and our art. T-3 stated that ROCKWELL, among many other things, remarked that he was of the belief that there are people all over the country who receive courage from knowing there is someone who hates "the Jew and is not afraid to say so."

The article stated that STACEY preached in non-denominational churches in Western and Southwestern states, and that while exposing Communism as being a creation of the Jews, he also calls for repatriation of Negroes to Africa.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization is furtherance of these objectives, has consisted of picketings with anti-Jewist and anti-Negro placards and talks by ROCKWELL attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issued of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

The March, 1959, issue of the Anti-Defamation League Bulletin contained an article by JEROME BAKST entitled "Angry Young Men of Hate." Regarding EDWARD R. FIELDS, the article stated, "FIELDS, 26 year old and a Louisville chiropractor, is a key figure in the National States Rights Party and co-ordinator of all its activities, contacts, and

"liaison with leaders of other hate groups. He apparently started Jew-baiting in his teens, aided STONER in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractic school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during Brotherhood Week."

The article on Page 7 of the September 1962, issue of "The Thunderbolt" states in pertinent part as follows:

"On Saturday night Sept. 1 delegates from all over the U. S. started arriving at Chester's Restaurant for the 'pre-convention' get together in Montgomery, Ala. Patriots from some 28 states were getting their chance to meet their fellow White brothers from all over America. Delegates were greeted by the loyal members of the Montgomery Unit headed by Chester Robinson and Lamar Doughtery. While Mr. Doughtery was busy registering those arriving, State Chairman Vick Ashurst was working out the final details on the convention hall.

"Later that evening patriots from several states were called upon to say a few words about what they were doing in their areas, and Chesters Restaurant was filled to capacity. Guests were entertained by the Harmony Boys Quartet, headed by loyal member G. E. 'Red' Cannon.

"The next morning as delegates entered the convention hall they immediately saw the gigantic Thunderbolt Flag, which covered the stage. Stretched from balcony to balcony across the hall was a huge banner saying 'Jesus Christ Our Leader' and the speakers rostrum was bedecked with the Confederate Flag.

NATIONAL STATES RIGHTS PARTY

"At about 1 p.m. Dr. Edward R. Fields introduced Mr. Ned Dupes the National Chairman who greeted the delegates and made a speech on the plans of the NSRP for the coming year. Following Mr. Dupes was our Vice Chairman Mrs. E. L. Bishop who spoke on the role of women in the NSRP.

"Mr. William Hoff of New York (New York State Director) gave a speech on the fight that is being carried on in the North, and was followed by the Thunderbolt's Associate Editor, James Warner, who spoke on right wing unity, and read a letter addressed to the convention by John Patler, who had just been released from jail after picketing a negro convention in New Jersey.

"Head of the 'Minutemen' organization Robert DePugh gave a long speech on subversion in government and how to overcome the enemy if the U.S. should be invaded. He was followed by Mr. Wally Butterworth of Vox Fox radio fame who told the delegates of Jewish subversion and control of our mass communications media, and how we can overcome this by use of the phonograph. He ended his speech by calling for more unity on the right and announced that the NSRP would now be handling his recordings on Jewish Treason.

"NIGHT SESSION

"Admiral John G. Crommelin was the first speaker of the evening session, and as he entered the hall 'Dixie' was played and delegates rose to their feet and gave him a thunderous round of applause. Amid the applause could be heard shouts of 'God Bless Admiral Crommelin' and 'We need more men like Admiral Crommelin.' The Admiral then proceeded to give the delegates a talk on his personal experiences in uncovering treason at national, state and local levels. His un-compromising stand on major issues was affirmed by the round after round of applause he received.

"Next on the agenda was our New National Co-Ordinator Robert Bowling who told of the merger of his National White Americans Party with the National States Rights Party, and let it be known that he was sure that the National States

NATIONAL STATES RIGHTS PARTY

Rights Party would be victorious in the coming years. He also gave a brief summary of what the Georgia NSRP was going to win this fight.

"Emory Burke was the next speaker and he let the people know that as long as we have the will to fight in our hearts our spirit will not be broken and we will gain ultimate victory. This was the first major speech Mr. Burke had made in 17 years, and the delegates knew they had heard one of America's best orators when he finished speaking. Mr. Burke was followed by Richard Bowling who has been leading the White resistance to race mixing in Albany, Georgia; who told of the battle they are waging there.

"The last speaker of the evening was the Rev. Oren Potito, NSRP National Organizer, who spoke of the gains he has made for the NSRP in the last three months. His recent radio schedule was of much interest to those attending and many were disappointed that he did not speak longer.

"Other speakers of the day were Rev. Conrad Lynch, Mr. Oliver Kendrick, and Jerry Dutton of Atlanta, Ga."

A characterization of the National States Rights Party is contained in the appendix to this memorandum.

On August 27, 1962, MO T-1 furnished a four page leaflet purporting to set forth the schedule for the National States Rights Party Convention, September 2, Montgomery Municipal Auditorium, which furnished the following information pertaining to speakers at the convention:

"GUEST SPEAKERS"

"ROBERT DE PUGH"

"Mr. DePugh is the famed leader of America's 'Minute Men' organization. They are armed and training to resist any possible future Communist invasion or internal

NATIONAL STATES RIGHTS PARTY

take over of the U.S. Government. These courageous patriots have formed Civilian Guerrilla combat units, ready to take to the hills, vallies and forests of America and continue the struggle for freedom - even if the regular U.S. Armed Forces should be defeated. Dont miss Mr. DePugh's courageous talk. It will be one you will long remember.

"ADMIRAL JOHN G. OROMMELIN"

"Alabama's own Admiral Orommelin, the man responsible for awakening the people of this state. No other man has done as much to take our message directly to the people as has this courageous leader. All who read our newspaper are familiar with his stand. For most of you, this will be your first opportunity to hear, and meet this hero of the Pacific campaign of W.W. II and now America's greatest authority on the Communist Conspiracy against America.

"WALLY BUTTERWORTH"

"Of the famed coast to coast radio program, 'Vox Pox.' For many years all of you listened and enjoyed this nationally known radio announcers programs. Now he has become one of the most outstanding leaders in the right wing movement. He has led the expose of the secret Kosher markings on many foods (symbols are 'K' & 'U') and how we are taxed by Rabbis every time we eat these foods. Mr. Butterworth has quickly become a Leader, whose warm and familiar voice you will all want to hear again.

"ASA CARTER"

"Perhaps our 'fightingest' speaker. He is well known for his 'Hell, Fire & Brimstone' oratory on race and Whiteman's heritages. This Patriot aroused the people of Clinton, Tenn., to resist the invasion of race-mixers. You will long remember the oratory of this great speaker.

"NATIONAL STATES RIGHTS PARTY SLATE OF SPEAKERS:

"NED DUPES"

NATIONAL STATES RIGHTS PARTY

"NATIONAL CHAIRMAN OF NATIONAL STATES RIGHTS PARTY

"Mr. Dupes is one of the Founders of the N.S.R.P. He is a favorite after-dinner speaker wherever he goes. If you have not heard him before, you will have a treat in store.

"EMORY BURKE

"Called 'AMERICA'S GREATEST ORATOR', Emory Burke made his 'come-back' only last month, and has addressed large crowds in Montgomery, Ala., Albany, Ga., Atlanta, Ga., and Little Rock, Ark. The new enthusiasm he has instilled in members and supporters is truly fantastic. The National States Rights Party Movement has made huge progress in the very short time Mr. Burke has been working full time to build this Third Party.

"REV. OREN F. POTITO

"NATIONAL ORGANIZER OF NSRP, will give an inspiring talk and report on organizational plans for the coming year. Rev. Potito has taken the NSRP to the air waves and launched the National Christian Congressional Committee which is rapidly collecting 10 Million names to curb the power of the Supreme Court and restore Christian Prayer in the schools.

"ROBERT A. BOWLING

"New NATIONAL COORDINATOR of all NSRP Units from coast to coast. He will explain his action program of coordinating the activities of our different Units across the land.

"REV. GORDON WINROD

"The son of the late Gerald Winrod, founder of 'The Defender' Magazine, will give his usual stirring address on the Anti-Christ enemy which we are fighting. Rev. Winrod is NSRP NATIONAL CHAPLAIN, and will officiate the opening and closing of this Convention.

NATIONAL STATES RIGHTS PARTY

"MRS. E. L. BISHOP

"Our NATIONAL VICE CHAIRMAN, and the leading lady of the NSRP. Mrs. BISHOP will speak on the woman's role in building the Third Party in America. Mrs. Bishop herself, is the outstanding example of just how great a part our women folk can play in this vital struggle to save America and the White Race.

"DR. EDWARD R. FIELDS

"Editor of 'THE THUNDERBOLT' will report on the progress of our newspaper and make a sensational announcement on a tremendous advancement to be made by NSRP in the publishing field. Dr. Fields will also give a report on the organizational growth that must be met on a quota basis during the coming year. This must be our greatest year yet, and every member will be expected to do more than his part."

MO T-1 advised on September 3, 1962, that at the conclusion of the speech by JERRY DUTTON, of Atlanta, Georgia, a white man later identified as a member of the American Nazi Party tried to enter the convention hall and Dr. EDWARD R. FIELDS instructed a policeman on duty at the hall to keep the Nazi Party member out of the convention. Informant stated there was no disorder inside the convention hall over this matter.

Pertaining to this incident, there appears an article on page one of the Montgomery Advertiser, a daily newspaper published at Montgomery, Alabama, in the edition on September 3, 1962. This article, written by BOB DUKE, states that LAWRENCE GARY SMITH, of Arlington, Virginia, was arrested on September 2, 1962, in connection with a disturbance at the annual convention of the NATIONAL STATES RIGHTS PARTY at Montgomery. The article states that SMITH identified himself as a member of the American Nazi Party. It states that SMITH was arrested when Dr. EDWARD R. FIELDS alleged that SMITH struck him in the chest outside City Hall where the convention was being held after FIELDS had asked SMITH and a companion, ROBERT A. LLOYD, of Arlington, Virginia, to stop distributing pro-Nazi literature at the convention site.

NATIONAL STATES RIGHTS PARTY

MO T-1 stated that one of the longest speeches at the convention was that by Mr. ROBERT De PUGH, identified as National Commander of the "Minutemen" organization. MO T-1 stated that DE PUGH's speech was not well received by many of the NSRP members because DE PUGH indicated that he did not feel that the fight against Communism could be won on a political basis. He felt rather that Communism would take over the United States and that "we patriots" would have to fight the Communist from the underground. According to MO T-1, DE PUGH pictured the United Nations as being completely controlled by the Communist and pictured the United States Government as being Communist infiltrated and unable to cope with the situation. MO T-1 stated that although the context of DE PUGH's statement in this regard was not well understood at the time, he made some remark that it might be necessary for the people of the United States to revolt in order to save the country from the Communist. DE PUGH called for the extension of what he called "American Freedom Rallies" and indicated that there was an organization sponsoring these rallies, and that it is headquartered at P.O. Box 1195, Kansas City, Missouri.

An article in the September 3, 1962, issue of the Montgomery Advertiser, Page 2, carrying the caption "Rights Party Speakers Warn of Red Advances", is written by JANE MARXER. This article describes the address of ROBERT DE PUGH and quotes him in part as follows:

"I think that the American people will, if necessary, revolt."

This article states that DE PUGH called for the complete annihilation of Communist and socialist conspiracy. It states that DE PUGH complained that the United Nations is dominated and controlled by coalition of nations that are either Communist, Communist Satellites, Communist sympathizers, pro-Communist, neutral, or relatively new nations that are completely unfamiliar with the American way of life. The article also quotes DE PUGH as stating "what we have to find is a battle cry to bring in the maximum number of people and keep them long enough so that they will be informed."

NATIONAL STATES RIGHTS PARTY

MO T-2, who has furnished reliable information in the past, advised on September 7, 1962, that Mr. ROBERT DE PUGH's speech proved to be quite unpopular with the vast majority of the people present at the NSRP convention. MO T-2 stated that DE PUGH spoke for about two hours and that he was neither anti-Semitic nor anti-Negro, but stated that Americans should be preparing for guerrilla warfare to fight against the Communist in the event they conquer the United States in the war which he felt was certain to come.

MO T-1 confirmed that the speech by WALLY BUTTERWORTH was directed to the topic of the alleged control of the press, radio, and television by the Jews. BUTTERWORTH stated that these mass communications media are "mesmerizing" our children and denying the truth to the public. He advocated the wide-spread use of long-playing phonograph records which he sells, to circulate the truth about the Jewish Communist enemy. BUTTERWORTH also spoke against the Federal Reserve System as being a Jewish device to control the world. MO T-1 stated also that BUTTERWORTH claimed that the Jews were the real power behind MARTIN LUTHER KING, JR., principal Negro leader in the United States.

The article in the September 3, 1962, issue of the Montgomery Advertiser mentioned above states that one of the speakers was ASA CARTER, former candidate for Lieutenant Governor in Alabama. This article states that CARTER was introduced "Mr. White Supremacy Himself" and in his speech stressed that the Communist were supporting integration of the races. This article states that CARTER gave what he called statistics pertaining to comparative crime rates of Negroes and white people in Washington, D.C., which indicated much greater criminal activity on the part of Negroes. He indicated his opinion that no Negro has a right to vote because Negroes are not sufficiently responsible to possess this privilege. This article states that CARTER advocated certain changes in the educational program in schools. He complained that his child's fourth grade history book includes four chapters devoted to Negroes but makes no mention of JOE WHEELER "and other great Alabamians". CARTER

O Q

NATIONAL STATES RIGHTS PARTY

advocated approaching the PTA, the DAR and the UDC to "get history back in our schools".

MO T-3, who has furnished reliable information in the past, advised on September 4, 1962, that ASA CARTER in his speech at the convention on September 2, 1962, suggested a boycott of the Ford Foundation, Kraft Foods and Phillip Morris cigarettes because these organizations were headed by "integrationists".

MO T-1 stated that Admiral JOHN CROMMELIN, a retired United States Navy Admiral residing at Montgomery and Wetumpka, Alabama, made the opening address in the evening session of the convention on September 2, 1962. MO T-1 stated that CROMMELIN's speech was principally directed against Jews. He indicated that he is an expert in classifying Jews and outlined certain types of Jews and degrees of Jewishness in people. He spoke of Marano Jews, Jewlattos and Jew Spouses, and defined each. MO T-1 confirmed that as stated in "The Thunderbolt", the September 1962 issue, CROMMELIN spoke on his personal experiences at the Pentagon Building in Washington, D.C., where he claimed to have discovered subversive and treasonous activity.

MO T-3 advised on September 4, 1962, that WILLIAM H. HOFF, of Brooklyn, New York, made a short speech describing his experiences in picketing a Negro rally in New York State. This informant stated that HOFF was dressed in the uniform of blue work clothes, black tie and combat boots. He walked in a stiff military manner and stood at attention in the convention hall for over an hour. He indicated that he had eight associates who assisted him in picketing the Negro rally and stated that one of the group was arrested by a police.

The September 3, 1962, issue of the Montgomery Advertiser indicates in the above-described article that HOFF was described as State Director and New England organizer for the NATIONAL STATES RIGHTS PARTY.

MO T-3 advised on September 4, 1962, that another speaker was JAMES K. WARNER, who assisted Dr. FIELDS in publishing "The Thunderbolt". Informant stated that WARNER

NATIONAL STATES RIGHTS PARTY

related stories about NSRP members being arrested in Albany, Georgia, and in Albany, New York, and read a letter from one who was jailed, stating that he had fasted during his stay in jail.

MO T-1 advised that the letter was from JOHN PATLER.

MO T-3 advised on September 4, 1962, that two of the speakers, a Mr. KENDRICK of Alabama and a Mr. PRIMTREE from Milwaukee, Wisconsin, spoke against the fluoridation of water. (MO T-1 and MO T-2 further identified KENDRICK as Mr. OLIVER KENDRICK. MO T-1 and the September 3, 1962 issue of the Montgomery Advertiser in the above described article, identified KENDRICK as vice chairman of the State of Alabama, National States Rights Party, residing at Sylacauga, Alabama.)

MO T-3 on September 4, 1962, and the September 3, 1962, issue of the Montgomery Advertiser both indicated that another speaker was WILLIS CARDO, of Washington, D.C., representing the "Liberty Lobby".

MO T-3 advised on September 4, 1962, that anti-Semitic speeches were made also by Mr. ROBERT A. BOWLING, of Atlanta, Georgia, his brother, RICHARD BOWLING, of Atlanta, Georgia, EMORY BURKE, of Montgomery, Alabama, and the Reverend OREN F. POTITO, of St. Petersburg, Florida.

MO T-4, who has furnished reliable information in the past, advised on September 6, 1962, that Reverend POTITO was the final speaker at the convention on September 2, 1962. This informant stated that POTITO's remarks were anti-Jew and anti-Negro. He stated that Christ is the true leader of the National States Rights Party and quoted from the Bible in an effort to justify his remarks.

MO T-2 advised that the following persons also made short but not especially noteworthy speeches at this convention:

NATIONAL STATES RIGHTS PARTY

Mr. NED DUPES, introduced as the National Chairman of the National States Rights Party

Mrs. E. L. BISHOP, from Little Rock, Arkansas, introduced as a National Vice-Chairman of the NSRP and Chairman for the State of Arkansas

Reverend GORDON WINROD, NSRP Chaplain (Reverend WINROD was introduced but had nothing to say to the convention)

Reverend CONRAD LYNCH of San Bernardino, California

Mr. ROBERT LLOYD, from Virginia, who later proved to be a member of the American Nazi Party, headed by LINCOLN ROCKWELL in Arlington, Virginia

MO T-4 advised on September 4, 1962, that a pre-convention gathering was held at Chester's Restaurant in Montgomery, Alabama, on September 1, 1962. This informant indicated that several of the persons who made speeches at the convention on Sunday, September 2, 1962, also made brief addresses at the pre-convention gathering. Reverend CONRAD LYNCH, ROBERT BOWLING, JERRY DUTTON, ROBERT LLOYD of Richmond, Virginia, RICHARD BOWLING, NED DUPES, Dr. EDWARD R. FIELDS and EMORY BURKE were among those in that classification. MO T-3 stated that in addition the following persons were introduced at this pre-convention gathering:

JAMES A. WEIS of Columbus, Ohio

L. B. PARRISH of Detroit, Michigan

VIOLET LLOYD

STEVE GOODYEAR of Los Angeles, California

DR. HARVEY DAVIDSON of La Crosse, Wisconsin

BOB TASH

J. P. KIMBRELL of West Point, Tennessee

NATIONAL STATES RIGHTS PARTY

MO T-3 stated that at this pre-convention gathering ROBERT BOWLING was introduced as being associated with the National White America Association of Albany, Georgia, and with a "National Youth Organization" which has not yet been named. It was indicated that he had joined both of these organizations with the National States Rights Party.

MO T-3 stated that Reverend OREN E. POTITO, described as a National organizer for the National States Rights Party, was also introduced as head of the "National Christian Congressional Committee", Post Office Box 10924, St. Petersburg, Florida.

MO T-3 stated also on September 4, 1962, that an unidentified speaker at the pre-convention gathering at Chester's Restaurant made remarks in private conversations pertaining to the good work done by the Ku Klux Klan. He indicated that the Klan would march "ten thousand strong" at Albany, Georgia, on Labor Day.

MO T-3 stated also that it was indicated that [redacted] of Little Rock, Arkansas, had [redacted] NSRP. The reason for his resignation appeared to be that EMORY BURKE was an atheist and [redacted] could not be affiliated with an organization which was led by an atheist.

b6

b7D

MO T-1 advised that the number of persons who attended the convention on September 2, 1962, varied from approximately 100 to approximately 200, with many of these persons leaving the convention for periods of time and coming back later.

MO T-3 estimated the number of persons attending the convention at 150.

With respect to the attempted distribution of literature by members of the American Nazi Party at the convention, MO T-2 stated on September 7, 1962, that Mr. NED DUPES and EMORY BURKE were friendly to the American Nazi Party members and they conferred with Captain CARL ALLEN,

NATIONAL STATES RIGHTS PARTY

of the American Nazi Party, who accompanied [redacted] with a view to securing the release of [redacted] who was still in jail as of late evening of September 2, 1962.

b6
b7C

MO T-2 advised also on September 7, 1962, that displayed at the convention were two pieces of literature purporting to be published by the Defensive Legion of Registered Americans Inc., showing an Atlanta Office in the Walter R. Brown Building, Atlanta 3, Georgia. This informant stated that officers of the Defensive Legion of Registered Americans were named as Mr. JAMES R. VENABLE and Mr. HERBERT W. BUTTERWORTH. The informant stated that this HERBERT W. BUTTERWORTH is identical with the person described above in this memorandum as WALLY, and WALLACE BUTTERWORTH. MO T-2 stated also on September 7, 1962, that additional anti-Semitic literature was available at the convention, purporting to be published by the Adult Education Forum, Post Office Box 441, Wetumpka, Alabama. He stated also there was a blank petition calling for ten million names for prayer, a petition to Congress asking that prayer be restored in the schools and also asking that the power of the Supreme Court be curbed. This petition purports to originate with the National Christian Congressional Committee, Post Office Box 10924, St. Petersburg 33, Florida.

MO T-1 furnished on September 3, 1962, a leaflet which was distributed at the convention purporting to be published by FRANK P. WALLS, independent candidate for governor of Alabama in the November 1962 election. This leaflet indicates that WALLS is campaigning on a platform of "Christianity, free enterprise, segregation, and states rights."

MO T-3 on September 4, 1962, identified the following additional persons as having been present at the NSRP convention at Montgomery:

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

The "Miami Herald," a local Miami, Florida, newspaper reported on September 12, 1962, an article by Herald Staff Writer DICK KNIGHT. This article is quoted as follows:

RE: NATIONAL STATES RIGHTS PARTY

"IMPEACH JFK, HE URGES

"Right Wingers Rally Here

"It was something like an old time revival meeting but the message from the preacher was 'the white Christians must stand together to end the conspiracy that controls the country.'

"More than 50 of Miami's far right-wing assembled at the Harvey Seeds Post of the American Legion Tuesday to hear the Rev. Dr. Wesley Swift.

"Dr. Swift, a sort of non-militant George Lincoln Rockwell, hails from California and claims to have access to some top U. S. security files. He said he has the facts to prove that:

"The NAACP, American Civil Liberties Union, United Nations, U. S. banking -- including the Rockefellers -- the New York Times, President Kennedy and the Federal Reserve System are controlled by 'Jewish Communists who want to control the world.'

"He kept the audience -- which ranged from fuzzy cheeked youths to white haired old ladies with long hat pins -- applauding with calls for impeachment of President Kennedy and the Supreme Court.

"Receiving special attention during the talk was a group of 10 Cubans who represented the Christian Nationalist Movement of Cuba. They have been helping to pass out petitions calling for Congressional repeal of the Supreme Court decision banning official prayers in schools.

RE: NATIONAL STATES RIGHTS PARTY

"Dr. Swift said the decision on prayers 'helped the Communists.'

"For almost two hours, he hammered home his theme that 'survival of the white race' is the most important thing today.

"As people entered the meeting, they were handed free copies of 'the Thunderbolt,' a sheet published by the National States Rights Party."

On September 12, 1962, Detective [redacted] advised that two officers from his department attended the meeting at the American Legion Hall on the evening of September 11, 1962. He stated that the car license numbers were noted on all vehicles in the area and many were the same as obtained the previous evening. [redacted] noted that all the vehicles were from the Miami area and some belonged to the members of the American Legion who did not attend the meeting but were using the facilities of the American Legion bar.

talked against the Negroes and in particular against the Jewish people, the Jewish people being the ones "in back of the communist conspiracy heading the U. S. NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted]

The March, 1959, issue of the Anti-Defamation League Bulletin contained an article by JEROME BAKST entitled "Angry Young Men of Hate." Regarding EDWARD R. FIELDS, the article stated, "FIELDS, 26 years old and a Louisville chiropractor, is a key figure in the National States Rights Party and co-ordinator of all its activities, contacts and liaison with leaders of other hate groups. He apparently started Jew-baiting in his teens, aided STONER in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractic school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during Brotherhood Week."

DETAILS:

"THE THUNDERBOLT" - Publication of the NSRP

"The Thunderbolt" is self-described as the "Official White Racial Organ of the NSRP."

A characterization of the NSRP is set forth in the appendix to this report.

BH 105-477

Issue No. 45 of "The Thunderbolt" for September, 1962, on Page 1, carried a headline captioned "WILL CUBAN INVASION COME BEFORE NOVEMBER ELECTION?" The article appearing under this headline carried a sub-caption "Timing May be Calculated to Knock Republicans Out of House Elections." This article stated that "The Thunderbolt" was the first newspaper in America to exclusively announce the strong indications of the forthcoming invasion of Cuba. It was stated that it had been leaked from unimpeachable sources in the halls of Congress that the date had been set for an all out knock out blow against the Cuban dictator, FIDEL CASTRO.

The above article continued, in part, as follows:

"The Achilles heel of the KENNEDY administration is this armed communist base only 90 miles from our shores. The public knows that KENNEDY sabotaged the last invasion by withholding air cover at the last moment. Also, it is a recognized fact that this communist base right off our coast is one of the primary reasons for the growth of the right wing movement in America. Communist Cuba has brought this menace right to our doorsteps and our startled people are rapidly awakening.

"Unless something is done within the immediate future, KENNEDY is going to lose control in this Falls election. This is the biggest campaign issue to date.

"THE THUNDERBOLT HAS THE NEWS FROM UNIMPEACHABLE SOURCES RIGHT IN THE HALLS OF CONGRESS THAT KENNEDY HAS JUST ABOUT DECIDED TO INVADE CUBA AND CUT THE GROUND OUT FROM UNDER THE REPUBLICAN CHARGES AGAINST HIS ADMINISTRATION AND STOP THE GROWTH OF THE RIGHT WING."

BH 105-477

Page 2 of Issue No. 45 of "The Thunderbolt" carried an article "WE FORCE KENNEDY DIVORCE INTO THE OPEN." This article stated that "The Thunderbolt" was the first newspaper in America to publicly break the KENNEDY divorce story out into the open. It was stated that the wire services requested and were given all the information "we" had on this matter. The article stated, "We waited -- but nothing happened!" The article continued by stating that the readers of "The Thunderbolt" "took the ball from there" and ordered tens of thousands of extra copies to flood the nation with. It was stated that circulation of that edition broke all records and jumped over the 100,000 figure. The article went into great detail as to how "The Thunderbolt" had exposed this situation and stated that "Remember that to this date, neither KENNEDY nor DURIE MALCOLM have ever issued any denial of this story." The article continued by setting out several questions under a caption "Questions for Kennedy."

On Pages 8 and 9 of Issue No. 45 of "The Thunderbolt" is set out what is described as Chapter 9 of "The International Jew" by "HENRY FORD, Founder - Ford Motor Company."

Issue No. 45 of "The Thunderbolt" on Page 12 set out an editorial captioned "SEGREGATE OR INTEGRATE, WHICH WAY FOR CHRISTIANS." It was reflected that this editorial had been written by Rev. OREN F. POTITO. This article, in part, reads as follows:

"The doctrine of no distinction as to race, creed or color, is principally the same as the Communist Creed of destruction of all class distinction and is based upon the assumption that the only difference between the races is that of skin color. Let us lay aside any prejudice we may have in this matter and see whether or not the Integrationists are right in their view that skin color is the only difference between the races.

BH 105-477

"Segregation is not a Southern prejudice, it is an Anglo-Saxon principal. The Bible states, 'everything after its own kind' and segregation is in keeping with this command.

"The Genecide of either race is prevented by segregation.

"Opportunity for the Negro, without competition from the White race, is guaranteed by segregation. Segregation must be preserved and it will be if both races will recognize the integration program for what it really is; - the spearhead of foreign ideologists, international Jews, who seek to devide and conquer the might of America.

"Integration is a Communist, Jewish conspiracy. If we continue to appease Communism by changing our Christian heritage and our way of life, in order to get along better with Russia, as urged by the international Jews, and One Worldists, then we will become just another sattelite under the control and domination of International Jewish Dictators.
SEGREGATION OR MONGRELIZATION?...THE CHOICE IS YOURS. Completely destroy segregation and mongrelization will follow as night follows day.

"Most important of all is the fact that GOD IS A SEGREGATIONIST!"

Issue No. 46 of "The Thunderbolt" for October, 1962, carried the headline "KENNEDY USES CUBA TO TAKE PUBLIC ATTENTION OFF MISSISSIPPI INVASION." An article appearing on Page 1 of this issue under the above-stated headline reflects that in "last month's issue" of "The Thunderbolt" the present KENNEDY stand on Cuba

BH 105-477

had been predicted. The article stated that the press and TV were then "lambasting us" with : "This now rules the Cuba issue out of the election campaign." The article continued by stating that this was the exact reason for the KENNEDY stand on Cuba. This article, is part, is quoted as follows:

"Why didn't he take this stand during the invasion of the 'Bay of Pigs' when Cuban Patriots were slaughtered like cattle after he deliberately called off our previously promised air support? Why didn't he do this a year ago, why not two months ago - or why not wait until the day after the November election. No, everything done by the KENNEDY brothers is done for one reason and one reason only -- to build their political machine and stroy Republican and States Rights opposition! Their every move is made to confuse and coerce the American people. This phoney move against Cuba just before this election smells to high Heaven."

Page 1 of Issue No. 46 of "The Thunderbolt" also set out an article captioned "GOD BLESS MISSISSIPPI STUDENTS -- COURAGE & VALOR." This article stated that perhaps few events in the struggle to save the South from "mongrelization" had been more encouraging to "us who have been fighting to hold the line against race-mixing than the stand made by the Oxford, Miss. students." The article stated that determination had been shown to the entire world as to how far the "Whiteman" would go to "stay white" by "this brave student stand."

The article continued by stating that evidence proved that it was the "Federal Marshalls" who made the initial attack on the "peacefully protesting students." This article, in part, reads as follows:

BH 105-477

"BOTH OF THE MEN WHO GAVE UP THEIR LIVES WERE ON THE WHITE SIDE AND MOST AGREE THEY WERE MURDERED BY THE BLOOD-THIRSTY FEDERAL MARSHALS. The courageous French reporter visited the Citizen Council Headquarters and expressed his belief in the stand being made against this illegal invasion of the South. The other White youth was a resident of Oxford and died on the firing line beside his fellow Whitemen. These two men are now martyrs to the Whiteman's struggle against KENNEDY dictatorship of imposing race-mixing down the throats of our people. The Confederate Flag has become the symbol of FREEDOM to Patriotic Americans in every section of this land."

Page 4 of Issue 46 of "The Thunderbolt" contains an article captioned "KENNEDY'S SISTER REVEALS MENTAL ILLNESS IN FAMILY." Under this caption appears a photograph of ROBERT KENNEDY, TED KENNEDY, and President KENNEDY. Above this photograph appears "The Three Stooges!!" Immediately below this photograph appears the wording "BOBBY - TEDDY & JACKY, Lunatics on the Loose?"

Under the above-mentioned caption appears an article on Page 4 immediately to the right of the above-described picture. This article commenced by stating that there was an old saying that if one has numerous secrets to hide and they will sooner or later be revealed, it is better to shed light on all of them at the very same time to avoid separate and equal reverberation from the public each time a new scandal is revealed. This article, in part, set out the following:

"On Sept. 18, the KENNEDYS let the nations press publish PIERRE SALINGER's version of the now famous KENNEDY divorce story, which turned out to be mainly an attack upon "The

BH 104-477

Thunderbolt." On that very same day, he gave both A.P. and U.P.I. a casual, run of the mill appearing story telling for the first time the story of his mentally retarded sister, ROSEMARY KENNEDY, who has been in an insane asylum for 21 years. The story was issued by Mrs. EUNICE SHRIVER, KENNEDY's older sister (whose husband heads the Peace Corps). ROSEMARY KENNEDY was placed in an institution in 1942."

The above article also is quoted, in part, as follows:

"MORE EVIDENCE OF KENNEDY MENTAL ILLNESS

" KENNEDY often sulks for hours and refuses to see even his closest aides. Some times he will see a newspaper, disagree with something it says and have the periodical banned from the White House. When certain problems crop up, he gives orders that he does not want to hear of them and tells aides to do with the situation as they deem fit. His flight to 'get away from it all' often leaves the nation without a President.

"The ironic part of all this is that the KENNEDYS gave direct orders for Gen. WALKER to be shipped away in the middle of the night on the charge that he is crazy, when the truth of the matter is that mental illness is already admittedly a part of the KENNEDY family, and recent behavior points toward a complete breakdown by President KENNEDY. The worlds Communist forces take more agressive actions against the free world in view of our weak, afraid to fight, mentally retarded President!"

Page 4 of Issue No. 46 of "The Thunderbolt" contains an article captioned "MENTAL ILLNESS IN JEWRY." The first paragraph of this article reads as follows:

BH 105-477

"A very large percentage of the Jewish population of the world is insane, if we accept the term 'insanity' to mean the inability to discern reality from imagination. Virtually all Jews, wherever they are stationed in the world--no matter how remote the outpost--think just like all other Jews, and that thought is characterized by its unreality, or in plainer terms, insanity."

The last paragraph of this article reads as follows:

"Another instance of Jewish insanity is the denial by him of the instinct of preservation. History clearly shows--even Jew-written and distorted histories--that the only friend in the world the Jew ever had was the Christian, who, motivated by the virtues of Christianity, is and was always wont to view the Jew with sympathy. And what does the Jew do? He expends tremendous energies to destroy the Christianity faith. Destruction of the restraining forces of this most elevated religion will leave the Jew facing un-or de-Christianized savages, who will not be restrained in their treatment of the Jew. The Jew words to fell the barrier that protects his criminality in order that he may be punished for his crimes. This is a denial of sanity."

Page 5 of Issue No. 46 of "The Thunderbolt" sets out an article captioned "'Freedom' For Blacks Means Freedom to Murder, Rob and Rape Whites!" This article stated that several months ago it had been reported in a nationwide magazine that guns were being smuggled into the United States from Cuba to supply U. S. Negroes with weapons to be used in killing "whites." The article stated that this had been confirmed and also contained a statement which is quoted as follows:

BH 105-477

"Considering the fact that American Negroes live better than 85% of the world's population, Whites included, it would seem that by 'Freedom' and 'Equality' they mean the Freedom to rob, kill and rape Whites as they please."

Page 5 of Issue No. 46 of "The Thunderbolt" sets out a photograph of Mr. FELIX FRANKFURTER alongside a photograph of Mr. ARTHUR GOLDBERG. Above these photographs appears "NO CHANGE HERE," and below these photographs appears "SUPREME COURT JUSTICE AND SUCCESSOR." Immediately below this appears "L-R: FELIX FRANKFURTER, ARTHUR GOLDBERG."

Page 5 of Issue No. 46 of "The Thunderbolt" set out the following statement:

"RACING MIXING MOVIES FLOOD NORTH.
SOUTH IS NEXT - JEWS PROPAGANDIZE FOR ALL OUT
INTER-MARRIAGE."

Pages 6 and 7 of Issue No. 46 of "The Thunderbolt" carry a main heading "NEGRO BLOOD MEANS MONGRELIZATION AND DISEASE AND DEATH." These pages carry a sub-caption "Three Steps to Mongrelization," and a sub-caption "A Blueprint for the Destruction of Our Christian-American Civilization."

This article lists the three steps mentioned above as follows:

"Mix the Schools;"
"Teach Them 'Tolerance;'"
"Integrate the Churches."

Pages 8 and 9 of Issue No. 46 of "The Thunderbolt" set out what is designated Chapter 10 of "The International Jew" by "HENRY FORD, Founder Ford Motor Co."

BH 105-477

Page 1 of Issue No. 47 of "The Thunderbolt" for November, 1962, carried headline "KENNEDY REPORTED READY TO APPOINT RED YARDMOLINSKY NEW FBI CHIEF." Under this headline appears a photograph of a male individual and under this photograph is set out the name "ADAM YARMOLINSKY." An article is set out on Page 1 of this issue under the above-quoted headline and immediately to the right of the above-described photograph, which reads, in part, as follows:

"YARMOLINSKY has a red record starting back in Harvard. Pictured on this page is the editorial staff of the "YARDLING," the Harvard Marxist Publication. Harvard graduates have told us this was regarded as a Communist publication. Note ten of the fourteen are Jews."

Page 2 of Issue No. 47 of "The Thunderbolt" sets out a poem entitled "KENNEDY, JUDAS AND BRUTUS." It is reflected that this poem was written by COURTLAND M. ASHER, 811 W. North Street, St. Marys, Ohio.

Page 2 of Issue No. 47 of "The Thunderbolt" also carried a letter dated August 29, 1962, addressed to "Honorable ALFRED S. DASHIELL, Managing Editor, 'The Readers Digest,' Pleasantville, New York." This letter indicated it had been written by LOUIS J. HAAS, 3432 Eads Avenue, St. Louis 4, Missouri. Above this letter is a caption "Slashing Reply to 'Readers Digest.'" This letter, in part, stated that few Americans are awake enough to see and understand the disastrous menace of the "Black-Plague" that is insidiously infiltrating itself into the lifestream of the "White race." The last paragraph of this letter reads as follows:

"There are White organizations who go all out in patronizing the Negro, even to the extent of imposing them on people in fashionable neighborhoods. They strive to break down housing

BH 105-477

restrictions wherever possible. Thus, they destroy Whiteman's freedom and way of life, eventually forcing Racial Suicide."

Page 3 of Issue No. 47 carried a headline "EVERY SOVIET PREMIER HAS BEEN MARRIED TO A JEWESS." Page 3 of this issue also carried a sub-caption "More Proof: Communism is Jewish."

Page 4 of Issue No. 47 of "The Thunderbolt" carries a caption "BOBBY KENNEDY USING FBI TO FRAME." Under this headline appears an article captioned "Paid Pimps Used in Both Little Rock and Miami." The first paragraph of this article reads as follows:

"The FBI had employed a bounty-hunting, Little Rock preacher as an undercover agent. The assignment of the secret undercover agent was to talk White Segregationists all over Arkansas into bombing negro and integrated schools, school board offices, station wagons of school officials, etc. Then, the FBI frame-ups was to discredit all Segregationists and wreck all White Segregationist organizations so that little White children would be forced to go to school with burr-headed darkies."

Pages 6 and 7 of Issue No. 47 of "The Thunderbolt" carry what is entitled "The International Jew" by HENRY FORD - Founder of Ford Motor Co."

Page 12 of Issue No. 47 of "The Thunderbolt" carries an editorial which reflects that it was written by IRVING THACKER. This article states that "We of the NSRP disagree to no end to the way the American Farmer has been placed in a straight jacket and controlled by the Federal Government." The article continues by stating that the NSRP is the American farmer's friend. It states that the NSRP of

BH 105-477

Ohio warns the American farmer that as time goes on and he is content to support the Democrat and Republican Parties farm policies of today he is not only setting the trap of collective farming, he is being caught by his own thoughtless actions. This article ended by stating that "we" invite the American farmer to "join NSRP, Work and Support the New, Largest and Fastest Growing 3rd Political Party in America."

It is to be noted that a December, 1962, issue of "The Thunderbolt" was not published by captioned organization.

Page 1 of Issue No. 48 of "The Thunderbolt" for January, 1963, carried the headline "KENNEDY BEHIND U. N. KATANGA RAPE." Page 1 sets out an article concerning the headline, and this article, which is continued on Page 12, reads, in part, as follows:

"On June 30, 1960, Belgium recognized the Congo as an independent nation. On July 7th one week after independence African soldiers mutinied against their White officers and began a mass massacre of the White population.

"At this time Communist agitator, and Prime Minister of the Congo, PATRICE LUMUMBA, gave his black murdering soldiers orders to rape, murder and pillage as they pleased and for doing so rewarded them with higher rank in the army plus a raise in pay.

"In seeing the complete disregard the blacks were having for the White population, the Belgian government sent paratroopers to put down the rebellion, and then LUMUMBA called upon the UN for military help in getting the 'Belgian Imperialists' out of the Congo.

"Then on July 11, 1960, President MOISE TSHOMBE moved to put down the rebellion

BH 105-477

in Katanga, and proclaimed KATANGA an independent country, saying: 'I am seceding from chaos.'

"The United States immediately led the UN in a resolution condemning Belgium and demanding the withdrawal of her troops. On July 14, 1960, the Secretary General was authorized to send UN invasion troops to the Congo,"

• • • • •

"The vast majority of Americans do not go along with KENNEDY on his stand on Katanga, and we urge that this treason be denounced, for the pro-Communist agitator he is. The United Nations should get out of the United States, as it is only a voice of the Communist, anti-White peoples of the world and is not a peace organ but rather a propaganda organ for the Jews. We suggest that the U.N. building be pushed into the Hudson river by giant bulldozers so no monument will be left standing to that murderous organization. God bless the four Southern States which refused to proclaim a U.N. day this year and the many cities which also refused to recognize this day. Let us all work and pray for the total end of the U.N."

Pages 2 and 3 of Issue No. 48 of "The Thunderbolt" carry what is described as Chapter 12 of "The International Jew" by "HENRY FORD, FOUNDER - FIRST PRESIDENT OF THE FORD MOTOR CO."

Pages 4 and 5 of Issue No. 48 of "The Thunderbolt" set out an article captioned "COMPLETE HISTORY OF U. N. TREASON - MONGRELIZATION - ONE WORLD GOVERNMENT." This article reflects that it had been written by attorney J. B. STONER, P. O. Box 48, Atlanta,

BH 105-477

Georgia. This article condemns the U. N. organization and its charter and sets out three sub-headings within the article as follows:

"U. N. Charter versus the Constitution"

"U. N. Is Communist"

"Nationalism is Patriotism"

On Page 1 of Issue No. 48 of "The Thunderbolt" appears the statement "KOSHER SLAUGHTER CRUELTY EXPOSED" and "See Page Six and Seven." On Pages 6 and 7 appears an article captioned "KOSHER SLAUGHTER CONDEMNED - CRUEL, INHUMAN TORTURE OF ANIMALS."

The article appearing on Pages 6 and 7 states, "The Kosher slaughter is cruel torturing of animals," and in great detail describes and condemns the killing of animals "in religious Kosher slaughter." Pages 6 and 7 of this issue reflect several pictures inserted as a part of and in conjunction with the above article. A few of the statements set out near various photographs are:

"Smiling Jew reveals satisfaction from brutal torture that follows."

"Murder begins. Animal is not stunned and has full consciousness, Rabbi sticks knife in throat, other Jew brutally seizes the animal's nostrils."

"Meat of healthy beast gets Kosher stamp. Bad meat is sold to the Gentile."

On Pages 9 and 10 of Issue No. 48 of "The Thunderbolt" is set out an article captioned "THE TRAGEDY OF AMERICA." This article reflects that it was written by Major ROBERT H. WILLIAMS, Counter Intelligence Officer. Immediately above the caption

BH 105-477

of this article is the statement, "Dr. FIELDS says,
'This is the Most Important Article We have Ever
Published,'"

This article, in part, read as follows:

"The world is witnessing the greatest historic spectacle of recorded time. Almost in a single lifetime we see the rise of a nation of really free individuals, and then the swift sudden trend to destroy that free society, including the race of men who created it.

"I don't know by what standard you judge a society. The Progressive educators seem to consider civilization as an age of inventions and mechanical conveniences, in which everybody is dependent on and 'adjusted' to everybody else,

"This is the collectivist, the Socialist line of thought. It makes that supremely destructive word 'equality' acceptable to its adherents.

"But if we believe in our traditions, the foundations of our culture and even the foundations of our religion, we see that the ideal society is precisely the opposite: it is one which inspires the highest degree of character development; one which preserves and produces the greatest percentage of fine, capable, beautiful and successful individuals. And only a free society, wherein the individual must rely strictly on his own resources, his ambition, skill, alertness, energy and courage, can preserve and develop character. For character is a matter not of masses but of individuals.

"The proper place of the inventions and conveniences, wealth and luxury in the picture of civilization, is that of a worthy, desirable by-product and an indicator. It is not the goal;

BH 105-477

it most likely does not make men any happier or more civilized to travel at eighty miles an hour than at three. But the flourish of industrial development indicates something; it proves something; it is the evidence of a high degree of human character in action.

"There is no secret about the causes of the decline of the free American Republic. It began with the first world war; it has gained speed under each succeeding New Deal Socialist Administration, Democratic and Republican, since 1932. We are following the same general pattern of degeneracy as that followed by every great nation in recorded history. And the major causes are the same, repeated over and over in nation after nation. Still our law makers and Presidents, who are speeding our destruction, do not seem to see even the decline, to say nothing of understanding its causes."

Page 10 of Issue No. 48 of "The Thunderbolt" sets out an article captioned "Members Thanked" and "NSRP Members Print Book." Under this heading appears the statement:

"We want to thank our loyal members and supporters who made it possible for us to publish our first book, 'JEWISH RITUAL MURDER,' by the late ARNOLD S. LEESE of London, England. Already the Jews are screaming that we should be jailed for re-printing this great work. We want to thank all of you who contributed to this project, while this book will soon be sold out, a great deed has been done by re-injecting it back into the politics of the nation."

Page 11 of Issue No. 48 of "The Thunderbolt" carries a main headline "NATIONAL STATES RIGHTS PARTY NEWS." Page 11 sets out an article captioned "'The Rebel' Publication Joins with 'Thunderbolt.'" This article reflects that "H. G. JONES, Editor, 'The Rebel,'". which had formerly been published in College Park, Georgia, had written a letter to Dr. EDWARD R. FIELDS, Editor of "The Thunderbolt." This letter set out that Dr. FIELDS had most generously offered to complete the unexpired subscriptions to "The Rebel" by sending each subscriber copies of "The Thunderbolt," for the length of time of each subscriber's unexpired subscription, free of charge.

Page 11 set out an article bearing the caption "NSRP Pickets MARTIN LUTHER KING in Dallas and Montgomery." The article stated that KING was the guest of "Negro revolutionaries in Montgomery, Ala.," and that KING had come to Montgomery to speak at a meeting in which a "non-violent army" was to be formed by the "Red Negroes."

Page 11 of Issue No. 48 also carried an article captioned "BURKE Is Out," and this article states that EMORY BURKE had left the NSRP and set up a "one man, letterhead group." This article went on to state that not one member left the NSRP with BURKE and that malcontents and disruptors seem to have a way of eliminating themselves from the party.

Page 11 of Issue No. 48 of "The Thunderbolt" carried another article captioned "Prayer Petitions Presented to Congress--NSRP Pickets White House." The article stated that petitions containing the names of some 10,000 people calling for the Congress to restore prayer in the schools and curb the Supreme Court were presented to the Clerk of the U. S. House of Representatives in December. The article stated that members of the NSRP party picketed the White House on December 29, and that among those picketing for the NSRP were "JAMES K. NSRP ACTIVITY IN ALABAMA

On February 27, 1963, a Special Agent of the
FBI observed [redacted] at his residence,

[redacted]

Page 1 of Issue No. 45 of "The Thunderbolt" carried a caption "NATIONAL STATES RIGHTS PARTY CANDIDATE FOR U. S. CONGRESS." Under this caption was also a sub-caption "Montgomery Cafe Operator Qualifies for House Race." This article, which reflected that it was a reprint from "Montgomery Advertiser," a newspaper of Montgomery, Alabama, reflected that J. CHESTER ROBINSON, Montgomery restaurant owner, had qualified to run for a seat in the U. S. House of Representatives on the National States Rights Party ticket. This article gave considerable background information concerning ROBINSON and also set out certain provisions of his political platform, five of which are as follows:

- "1. Complete separation of the races and voluntary resettlement of American Negroes in Africa.
- "2. Opposition to foreign aid, the United Nations and negotiations with the Soviet Union.
- "3. Support for 'the poor, persecuted white man' and small businessmen.
- "4. Restriction of immigration to whites.
- "5. Impeachment or removal from office of any public official who endorses race-mixing or mongrelization."

Page 1 of Issue No. 45 of "The Thunderbolt" also carried an article captioned "ROBINSON Wires BARNETT Support." This article reflected that CHESTER ROBINSON, National States Rights Party candidate for Congress from Alabama, sent ROSS BARNETT, Governor of

BH 105-477

Mississippi, a telegram stating that the NSRP was behind him in interposing the authority of his office between the Federal Courts and the school (University of Mississippi). The article stated that Mr. ROBINSON urged Governor BARNETT to stand firm and not yield, that all loyal white Americans were with him.

Pages 6 and 7 of Issue No. 45 of "The Thunderbolt" carry a caption "NATIONAL STATES RIGHTS PARTY CONVENTION IS HUGE SUCCESS." On Pages 6 and 7 are set out numerous photographs of individuals attending and participating in the NSRP convention which was held in Montgomery, Alabama, over the Labor Day weekend in September, 1962.

Pages 1 and 2 of Issue No. 46 of "The Thunderbolt" contain an article bearing the caption "Only Massive White Vote Can Save B'ham City Comm." This article, in part, reads as follows:

"There can be no doubt that the vast majority of the White citizens of Birmingham favor our present strong form of government. Our three city commissioners are all strong segregationists. If they were liberal race-mixers, there would be no attempt to change our form of government to the weak and easily influenced Mayor-Council system."

Page 3 of Issue No. 46 of "The Thunderbolt" set out an article captioned "NSRP on Alabama Ballot - Drop the KENNEDY Four - Eight Conservatives Endorsed." This article also bore a sub-caption "Robinson Campaigns Hard" and states that CHESTER ROBINSON, National States Rights Party candidate for the U. S. Congress from Alabama, has led his opposition by taking the strongest stand for preservation of the White Race and our Southern way of life.

Page 3 of Issue No. 46 of "The Thunderbolt" also carried another article captioned "ROBINSON New Alabama State NSRP Chairman." This article reflected that "Honorable NED DUPES, National Chairman

BH 105-477

of the National States Rights Party in Knoxville, Tenn., announced the appointment of CHESTER ROBINSON as the new Chairman of the NSRP for the State of Alabama." The article continued by stating that Mr. ROBINSON had replaced VICK ASHURST, who had served out his one year term of office.

Page 10 of Issue No. 46 of "The Thunderbolt" carried a caption "NSRP Moves Into Larger Building." Immediately below this caption appears a photograph of Rev. OREN F. POTITO and Dr. EDWARD R. FIELDS. Immediately to the right of the photograph appears an article which reflects that the NSRP had recently moved into its new headquarters, which is located at 1865 Bessemer Road in Birmingham, Alabama. The article stated that the moving of the NSRP headquarters had put "us" behind in filling orders and new subscriptions which had been pouring in at an unprecedented rate.

Page 9 of Issue No. 47 of "The Thunderbolt" sets out an article entitled "Race Mixing Preachers Out of Place." It was reflected that this article was written by Rev. R. E. BROWN. Immediately to the left of this article is set out the photograph of a male individual. Above this photograph is the name "Rev. R. E. BROWN," and just below the photograph is set out the following:

"Rev. BROWN is Pastor of The Eastern Orothodox Church, Brookside, Ala."

The above-mentioned article states that there seems to be a great deal of agitation among the clergy these days on the racial front. It is also stated that ministers of various denominations are "for the cause of racial integration." The article states that these ministers have degraded the Christian ministry by their lawless antics and lost any dignity they might have had by their associations with known criminals, dope addicts, and communists.

BH 105-477

It was also stated in this article, "Let us not be mislead by these people; INTEGRATION OF THE RACES IS NOT AND NEVER HAS BEEN A DOCTRINE OF THE CHRISTIAN CHURCH."

The article continues by stating that we have reached a high point of civilization as a white Christian nation, and stated that merging our white Christian culture with a culture which lived for thousands of years without discovering the principle of the wheel aids no one. The article also stated that we must teach, lead, but not "mingle or blend."

Page 10 of Issue No. 47 of "The Thunderbolt" carries the headline "INSIDE NEW NSRP HEADQUARTERS." Under this headline appear several photographs concerning the NSRP headquarters, which are located at 1865 Bessemer Road in Birmingham, Alabama, and persons connected with the NSRP headquarters.

One photograph is that of Dr. EDWARD R. FIELDS; two other photographs are exterior views of the NSRP headquarters, which is a residential structure located at the above-mentioned address; and another photograph is that of JAMES K. (JACK) WARNER.

Page 9 of Issue No. 45 of "The Thunderbolt" reflects an article captioned "California NSRP Newsletter." Immediately to the right of this article appear two photographs. Under one photograph, which is of a male individual, is the statement: "Organizer THORNTON above prepares sign." Immediately below this photograph is another photograph of two male individuals holding up a sign which reads, "Death to All Traitors." Immediately above this last-mentioned photograph is the statement,

BH 105-477

"Below, right: Security Division Leader BOB LEWTON."

The above-mentioned article reflects that after many months of hard work, California State Organizer, JIM THORNTON, had published the first issue of "The Attack." It was stated that "The Attack" deals with problems the NSRP of California must face and maps out plans for future organization. It was stated that all members, subscribers, and supporters in California would be receiving a copy of "The Attack," "this month."

The above article continued by stating that the youth leader in California, "Mr. ROBERT LEWTON," was then in the process of forming a NSRP Security Division in California to guard their meetings and demonstrations against Communist attacks. The article stated that on August 11, NSRP members, under the leadership of JIM THORNTON and ROBERT LEWTON, led a demonstration against the so-called "Peace Marchers." It was stated that this operation against the "Peace Marchers" was a great success and a victory. It was set out that at "3 o'clock Saturday afternoon they marched into Laguna Beach (down town) and NSRP pickets were on hand to greet them." The article concluded by stating that most of the "Peace Marchers" had never heard of the NSRP before this, but "today they all know exactly what the NSRP is and what we plan to do with the like of them."

Page 11 of Issue No. 46 of "The Thunderbolt" sets out what is designated as the "NSRP Security Division Creed." It is indicated that this creed was submitted by "BOB LEWTON, NSRP - S. D. of Calif." This creed, as set out, contains twelve items, which read as follows:

- "1. The leader is always right.
- "2. Never violate discipline.
- "3. Never waste time in idle chatter, nor in self-gratifying criticism, but take hold and help.

BH 105-477

- "4. Be proud but not arrogant.
 - "5. The program is your dogma; it demands your complete devotion to the cause.
 - "6. You are a representative of the Party; govern your appearance and behavior accordingly.
 - "7. Loyalty and unselfishness are the first commandments.
 - "8. As a true patriot you must be a real brother to your fellow member.
 - "9. Do to your members as you would have them to do to you.
 - "10. In battle be steadfast and discreet.
 - "11. Courage is not recklessness.
 - "12. Whatever serves the interest of the movement, and through it America and the American people, IS RIGHT!!"

The above article continued by stating that POTITO had expanded his sphere of activity by putting the NSRP program on "4 more radio stations in the South and by buying the one he was already broadcasting on." It was stated that POTITO had recently held a series of NSRP meetings in Miami, Jacksonville, and Tampa. The article stated that Rev. POTITO was a successful private businessman, was able to do a lot of traveling in the South, and that it was not uncommon to see his gold-colored Mercedes-Benz in many Florida towns.

Page 7 of Issue No. 45 of "The Thunderbolt" also carried another article captioned "States' Rights Party - Tampa Chapter Meets." This article reflected that some 45 members of the Tampa Bay Chapter of the NSRP met in Pinellas Park "last night" to hear speeches by leaders WESLEY SWIFT, Los Angeles, and OREN S. POTITO, St. Petersburg.

Page 5 of Issue No. 47 of "The Thunderbolt" contains an article captioned "Wife of Florida NSRP Leader Arrested Fighting Integration." This article reflected that Mrs. LEON C. BASS, wife of the Florida NSRP Vice Chairman, had recently been arrested and fined \$50.00 for attempting to keep Negroes from eating at white lunch counters. The article stated that, according to newspaper reports, Mrs. BASS entered the Woolworth Store in Orlando, Florida, and was confronted with the sight of a waitress about to serve two Negro women. It was stated that Mrs. BASS, according to newspaper reports, then tried to stop the waitress from serving them food and when this failed, she knocked the food being served to the Negroes onto the floor, then began slapping the Negroes.

The above article also stated that she was then arrested and taken to court. The judge used the

BH 105-477

same old coward's excuses for letting integration go on when he said, "Leave problems of segregation and integration up to other people."

NSRP ACTIVITY IN GEORGIA

Issue No. 45 of "The Thunderbolt" on Page 4 sets out an article entitled "National White American Party Merges with NSRP." It was also stated that Mr. ROBERT BOWLING, Chairman of the NWAP, had accepted the position of National Coordinator of all NSRP unit activities. It was also reflected that all members of the NWAP had been transferred over to the NSRP and had received NSRP membership cards.

The above article reflected that the NSRP had not only gained greatly from the merger with NWAP in the matter of membership, but that "we" had also obtained the NWAP office building at 968 Peachtree Street in downtown Atlanta as "our" new Georgia NSRP headquarters.

Pages 4 and 5 of Issue No. 45 of "The Thunderbolt" also contained numerous photographs of the new "NSRP Georgia headquarters located on Atlanta's famed Peachtree Street," as mentioned above. Page 11 of Issue No. 46 of "The Thunderbolt" contains a caption "Raise That Confederate Banner" and a sub-caption "Atlanta NSRP Fighting in Streets."

BH 105-477

An article under the above-mentioned caption states that "Jews seek the destruction of our White race! Negroes must go back to Africa!" This article stated that signs bearing the above wordings were carried by NSRP members in a demonstration against race mixing as Atlanta entered the second year of desegregation. The article stated that the demonstration was led by a Confederate Battle banner carried by JERRY DUTTON, a party officer based in Atlanta.

Page 11 of Issue No. 46 of "The Thunderbolt" also set out an article captioned "NSRP School Opens." The article stated that the National States Rights Party school of racial studies opened January 5, 1963. It was stated that this school is the only one of its kind in the United States and that at the school could be learned the facts on race and racial heredity taught by well-known experts in the field of race. The article further urged white youth to journey to the capital of the beautiful Southland, "Atlanta, Georgia"; "live with other racial comrades from other parts of the nation in spacious living quarters at our beautiful new Georgia state headquarters."

The above article pointed out that living necessities, such as food and shelter, were provided free to all students attending this school during the "four months of training program" and stated that because of limited accommodations, "we" are forced to accept only male members between the ages of 18 and 29. It was stated that this school is free to NSRP members "ONLY."

[redacted] NP, was the first speaker and he reaffirmed the NP's support of former general Edwin A. Walker and defined the attempt of the courts to place Walker in an insane asylum as "another attempt of the Kennedy administration to silence true American patriots." [redacted] went on to attack the Young Americans for Freedom as being "a poor example of a conservative organization supported by liberal thinking beatniks." [redacted] concluded his speech by declaring that true "nationalism" as practiced by the NP would triumph over communism, liberalism and phony conservatism and the "day of minority rule" would soon end.

The second speaker was [redacted] a member of the Cuban Nationalist Association (CNA) who spoke in place of [redacted] the CNA, who was unable to attend the meeting. [redacted] stated that if the United States would supply enough weapons to the Cubans who are living in exile, the overthrow of Fidel Castro in Cuba would be imminent without any blood being shed by American soldiers.

Following the above two speakers, two motion picture films, "The Road to Ruin", a captured communist film of Spanish Communists and "The Road to Peace", a Spanish documentary on Communist atrocities in Spain, both of which were filmed in 1936, during the Spanish Civil War, were shown.

Re: Nationalist Party

Following the showing of the films: a short question and answer period was held and a monetary collection was made to help finance the NP.

At the conclusion of the meeting, [redacted] previously mentioned, announced to the group that the NP had scheduled a picket-type demonstration beginning at 7:30 pm on March 8, 1963, in front of Carnegie Hall, 7th Avenue and 57th Street, New York City, wherein the 39th anniversary rally of "The worker" is to be held.

"The Worker" is an east communist newspaper.

The source further advised that a good percentage of the audience at the above meeting was composed of Spanish speaking individuals who are members of the CNA, 714 Amsterdam Avenue, Apartment 19, New York 25, New York.

Also in attendance according to the source, in addition to [redacted] all described [redacted] b6 b7C as NP members, were [redacted] National States Rights Party (NSRP) and [redacted] all members of the National Renaissance Party (NRP).

Characterizations of the NP NSRP and NRP are attached, and sources mentioned therein have furnished reliable information in the past.

Re: Nationalist Party

NATIONAL RENAISSANCE PARTY

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949, by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American.

NATIONALIST PARTY

On June 28, 1962, Detective [REDACTED] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the Nationalist Party (NP) was formed on September 21, 1961, and although it has no actual headquarters, continues to maintain a "mail drop" at 507 Fifth Avenue, New York City.

Detective [REDACTED] further advised that although [REDACTED] has no official title as an officer of the NP, he in actuality controls the activities of the NP.

b6

Detective [REDACTED] stated that even though activities of the NP consist of anti-communist demonstrations, members of the NP have in the past exhibited anti-semitic sympathies, and stated that [REDACTED] mentioned above attended a meeting of the Fighting American Nationalists (FAN) which was held in New York City on December 4, 1960.

b6
b7C

On August 2, 1962, a confidential source advised that the NP activities are openly anti-communist. However, this source stated, members of the NP have strong anti-semitic sympathies which they do not reveal openly since they feel disclosure of such sympathies would lose many supporters for the NP.

The above source further advised that the NP continues to join with other organizations in anti-communist demonstrations thereby giving the impression of having a greater membership than it actually has.

RE: RACIAL SITUATION
SCHOOL INTEGRATION MATTERS

NATIONAL STATES RIGHTS PARTY

On August 30, 1963, Birmingham Confidential Informant T-1, who has furnished reliable information in the past, advised that an open-air rally sponsored by the National States Rights Party (NSRP) was held at 7:30 p.m. on the evening of August 30, 1963. T-1 advised that this rally was held in the Cahaba Heights section, a suburb of Birmingham, Alabama, and the meeting was near the intersection of Crosshaven and Shades Lane.

A characterization of the NSRP is being attached to this letterhead memorandum."

BH T-1 advised that Dr. Edward R. Fields, Information Director of NSRP, was the main speaker at the above meeting, which was attended by an estimated crowd of some 250 people. T-1 stated Fields urged his listeners to resist integration of schools by supporting the NSRP and its aims. T-1 stated Fields remarked that the NSRP does not hate Negroes and is a non-violent organization. Fields stated he felt every citizen has the right to choose his associates and he personally does not choose to associate with Negroes or have his children associate with or go to school with them. Fields decried assimilation of races as a forerunner of mongrelization. Fields stated the whites did not normally react until pushed against the wall or until too late. Fields urged immediate steps to stop the integration or to close the (Birmingham) schools in protest and announced that the NSRP was sponsoring a motorcade to Montgomery, Alabama, from Birmingham, beginning at 10:00 a.m. August 31, 1963, for the purpose of presenting

petitions to Alabama Governor George C. Wallace urging him to halt the integration or close the schools. T-1 stated Fields urged interested citizens to join the motocade and meet at NSRP headquarters, 1865 Bessemer Road, Birmingham, for that purpose. T-1 stated that Fields also urged those in attendance to meet at NSRP headquarters on Wednesday, September 4, 1963, at 7:00 a.m. to proceed to (Birmingham) schools slated for integration and join NSRP members in a peaceful demonstration to halt integration or close the schools. Fields again stated that the school demonstrations would be non-violent.

T-1 advised that Jerry Dutton, NSRP official, was also a speaker at the above NSRP rally and was introduced as a man who had been arrested for carrying the Confederate flag during a demonstration recently in downtown Birmingham protesting integration of lunch counters in Birmingham. Dutton remarked that now is the time to protest and urged dignified action rather than peaceful submission. T-1 stated Dutton remarked that the opposition offered to Government intervention in Oxford, Mississippi, Little Rock, Arkansas, and more recently in Louisiana was a more dignified approach than the complacent acceptance of integration as witnessed in Atlanta, Georgia. Dutton stated some well-meaning white citizens are apprehensive of Federal bayonets but pointed out that they are no different from the bayonets of local officers. T-1 stated Dutton remarked that any officer who furthered integration was an enemy of the white people and should be disregarded.

On [redacted] Birmingham Confidential Informant T-2, who has furnished reliable information in the past, advised that [redacted]

[redacted] Seventh Annual Convention of NSRP would be held in Birmingham, Alabama, on Labor Day weekend of 1963.

BH T-2 also mentioned [redacted]

BH T-2 also advised that the above-mentioned NSRP convention was to be held at the Redmont Hotel, 4th Avenue, North, at 21st Street, in the Emerald Room, from 1:00 p.m. until 9:00 p.m. BH T-2 stated reservations for attendance at this convention were required at \$5.00 per ticket with the following speakers scheduled:

Attorney J. B. Stoner
Ned Dupes

b6
b7C

BH T-2 stated all of the above persons are members and/or officials of NSRP.

On August 31, 1963, a caravan of approximately 50 cars, many carrying Confederate flags, departed area of NSRP headquarters, 1865 Bessemer Road, Birmingham, en route to Montgomery, Alabama, with [redacted] above mentioned, in the group. This caravan returned to Birmingham, Alabama, late August 31, 1963.

b6

On August 31, 1963, Birmingham Confidential Informant T-3, who has furnished reliable information in the past, advised that Alabama Governor George Wallace had just advised a Jefferson County delegation that he was coming into Birmingham whether Birmingham wanted it or not. T-3 stated Wallace wanted the Jefferson County delegation to express concern over the ability of local law enforcement (Birmingham) to maintain control over the local situation. T-3 stated local police and authorities (Birmingham area) felt that they did not need assistance from Governor Wallace and would not ask for it. T-3 stated that in his opinion, Alabama Highway Patrolmen would be in Birmingham in time for school desegregation. T-3 stated that above-mentioned Jefferson County delegation were duly elected representatives from Jefferson County, Alabama, who are members of the State Legislature.

On August 31, 1963, Chief of Police Jamie Moore, Birmingham, Alabama, furnished the following data regarding schools to be integrated in Birmingham:

Chief Moore stated Graymont Elementary School will have two Negro students, [redacted] who will enter on September 4, 1963, as recently planned.

b6
b7C

Chief Moore stated that the two high schools of Birmingham to be integrated are West End High School and Ramsay High School. Chief Moore stated that students to enter West End High School are [redacted] both girls, who are scheduled to enter the twelfth grade. Chief Moore stated that one male Negro student is scheduled to enter the twelfth grade at Ramsay High School and he is [redacted]

b6
b7C

On August 31, 1963, Birmingham Confidential Informant T-4, who has furnished reliable information in the past, advised that a public rally was held on the evening of August 31, 1963, at the National Guard Armory, Graymont Avenue, Birmingham. This rally began at 7:30 p.m. and closed about 9:15 p.m. The rally was held under the auspices of the Committee for White Schools, a pro-segregation group, with Master of Ceremonies listed as Thomas Brock, Chairman of the group, according to leaflet advertising rally. BH T-4 stated that the principal speaker at this rally was Reverend George Fisher, a pro-segregationist, who during his speech advocated no violence. T-4 stated that the general theme of this meeting was criticism of the civil rights movement in general and the politicians who advocated and favored same. T-4 stated that at this meeting approximately 1,200 petitions were distributed to those in attendance to have their neighbors sign. These petitions were addressed to Alabama Governor Wallace and Dr. Theo Wright, Superintendent of Birmingham schools, advocating the closing of schools in accordance with various Alabama laws reportedly passed in 1957, 1959 and 1961.

BH T-4 further stated that at the above rally, during the course of the evening, a discussion was had concerning the closing of the schools in Prince Edward County, Virginia, and remarks were made pointing out the feasibility of this

procedure. BH T-4 stated instructions were given relative to delivering the petitions that were passed out and it was stated that when these petitions were signed, at 12:30 p.m. on September 2, 1963, all people having petitions would meet George Fis her, above mentioned, at Birmingham City Hall steps at which time an audience would be requested with Birmingham Mayor Albert Boutwell.

BH T-4 stated that a rally was scheduled in the National Guard Armory, Graymont Avenue, Birmingham, Alabama, for the evening of September 2, 1963, under the auspices of the United Klans of America.

A characterization of the United Klans of America, Inc., Knights of the Ku Klux Klan, is being attached to this letterhead memorandum.

BH T-4 also stated that George Fis her, during the course of his above-mentioned speech, stated parents were not required to send their children to integrated schools and in a negative manner praised those parents whom he remarked would have "gumption enough not to send their children." BH T-4 stated that the audience appeared to be a representative group of citizens of varying ages and varying degrees of dress and appeared to be generally in sympathy with the comments of the speaker. A free-will offering was taken up and BH T-4 estimated that approximately \$1,000 to \$1,200 was collected.

On August 31, 1963, Birmingham Confidential Informant T-5, who has furnished reliable information in the past, furnished substantially the same information as BH T-4 concerning the rally held at the National Guard Armory, Birmingham, on evening of August 31, 1963.

The "Birmingham News," a daily newspaper of Birmingham, Alabama, in its edition for September 1, 1963, carried an article which stated two white men, apparently planning to hand a Negro dummy in effigy, were arrested on August 31, 1963, at the West End High School in Birmingham. According to this article, the men arrested were Lloyd Milton Colvin, age 22, of 924 - 4th Court, North, and Willie Paul Breasseale, age 21, of 1937 Princeton Avenue, both of Birmingham. They were charged with trespassing and disorderly conduct. According to the article, Lieutenant Maurice House, Birmingham

Police Department, was quoted as saying that Colvin and Breasseale had with them a dummy with a black face and shirt and trousers stuffed with paper. Reportedly, Colvin and Breasseale were spotted behind the West End High School about 1:45 a.m., September 1, 1963, and were arrested at that time. The article also stated "practically all" Birmingham schools were under careful surveillance by either policemen or Civil Defense volunteers. On September 1, 1963, Birmingham Police Chief Jamie Moore verified the above-mentioned information except he stated that [redacted]
resides at [redacted]

On July 2, 1963, Birmingham Confidential Informant T-6, who has furnished reliable information in the past, advised that [redacted] not otherwise identified, were present at a meeting of Eastview Klavern #13, United Klans of America, Inc., Knights of the Ku Klux Klan, in Birmingham, on night of June 27, 1963. T-6 advised that he is unable to furnish any further identifying or background information concerning [redacted]
[redacted] and does not know either of these men personally nor does he know whether they are full-fledged members of the United Klans of America, Inc., KKK.

b6
b7C

On September 1, 1963, Birmingham Confidential Informant T-7, who has furnished reliable information in the past, advised that the NSRP held its Seventh Annual Convention at the Redmont Hotel, in the Emerald Room, 4th Avenue, North, at 21st Street, Birmingham, from 1:00 p.m. to 9:00 p.m. on September 1, 1963. BH T-7 stated the main speakers were Dr. Edward R. Fields, Information Director of NSRP; Attorney J. B. Stoner of Atlanta, Georgia; Ned Dupes, National Chairman of NSRP; Dewey Taft, of Miami, Florida; and James Warner, NSRP official of Birmingham. T-7 stated there were representatives from several states at the convention and estimated that about 100 persons attended the convention.

T-7 stated the NSRP planned to demonstrate in regard to desegregating Birmingham public schools. Fields stated they planned to intercept parents bringing their children to school and to try to persuade parents to demand that their children be transferred from integrated schools and to boycott the three Birmingham schools to be integrated. Fields stated J.B. Stoner, an attorney of Atlanta, Georgia, would be in

Birmingham for several days to provide legal counsel for NSRP members and others taking part in demonstrations against mixing the public schools of Birmingham, Alabama. T-7 stated that Ned Dupes made several introductions of out-of-state guests and also spoke out against integration in regard to Birmingham Public Schools and integration in any manner.

BH T-7 also stated that J. B. Stoner spoke at great length and was very bitter against the FBI and law enforcement officers in general. Stoner stated he wanted to discuss some pleasant things during his speech and to discuss some obnoxious things and that the most obnoxious was the FBI, which he desired to speak about first. Stoner stated when he mentioned the FBI that the FBI was better known in the south as the Federal Bureau of Integration. Stoner stated the FBI had no jurisdiction unless a Federal matter was involved and urged everyone to allow no FBI Agents in their homes unless a search warrant was exhibited.

T-7 also stated that Jerry Dutton spoke at the convention and gave a report on the various open-air rallies held recently by the NSRP in Alabama.

BH T-7 stated that there was no violence advocated at the convention and there were no incidents which occurred at the convention.

T-7 also stated that Stoner remarked that law enforcement agencies sympathized with Communism and race mixing and that an NSRP man should be on the Presidential ballot of 1964.

T-7 stated James Warner, an NSRP official, Birmingham, spoke on youth recruiting and its importance to the NSRP. Warner did not state how many young people had been recruited or give any statistics.

T-7 stated that Mrs. E. L. Bishop, National Organizer, NSRP, from Little Rock, Arkansas, spoke on how to organize new units. Mrs. Bishop did not give any figures or locations concerning units. T-7 stated that Dr. Edward R. Fields told how two NSRP members, Jim Thornton and Bob Loop, NSRP organizers in southern California, had secured 1,000 members in one and

one-half years. Fields did not give Thornton's and Loop's residences.

BH T-7 stated that Irving Thacker, from Ohio, head of the NSRP in Ohio, spoke of activities in Ohio and told of the news bulletin which he prints. T-7 also stated that Dr. Fields indicated that the NSRP would carry signs and pass out literature in the vicinity of the three Birmingham public schools to be integrated on September 4, 1963. T-7 also stated that Jerry Dutton, above mentioned, remarked that he and Conrad Lynch, an NSRP official, plan to tour the United States this coming fall and winter and would hold public rallies. T-7 stated Dutton did not elaborate on the plan for this tour.

BH T-2 furnished substantially the same information concerning the NSRP convention held in the Redmont Hotel, Birmingham, on September 1, 1963, as furnished by BH T-7.

On September 1, 1963, Birmingham Confidential Informant T-8, who has furnished reliable information in the past, advised that he has received information that the following listed individuals were in Birmingham, Alabama, on September 1, 1963, and probably attended the Seventh Annual Convention of the National States Rights Party held at the Redmont Hotel, Birmingham, on that date. BH T-8 stated he based his conclusion on the fact that hotel reservations had been made in Birmingham for the following individuals in connection with the National States Rights Party Convention, and that these persons confirmed their reservations after arriving in Birmingham on Labor Day week-end of 1963. T-8 advised that he did not attend the National States Rights Party Convention and could furnish no further details concerning it.

On September 2, 1963, Birmingham Confidential Informant T-9, who has furnished reliable information in the past, made available information concerning some of the speeches at the Seventh Annual Convention of the National States Rights Party held at the Redmont Hotel, Birmingham, on September 1, 1963. This information reflects that Dr. Edward R. Fields stated that the NSRP was planning an outdoor meeting on the evening of September 3, 1963, near Midfield, Alabama, and that at this meeting, those in attendance would be encouraged to join the NSRP on a march to the three schools to be integrated in Birmingham on September 4, 1963. Reportedly, the only comment that could possibly be interpreted as advocating violence was FIELDS' comment that they would march on the schools and that they did not intend to be pushed around by police. Fields followed this comment with the statement that he thought they would be allowed to demonstrate. Fields then said they planned to intercept parents bringing children to schools and would try to persuade the parents to demand that their children be transferred from integrated schools to an all-white school.

J. B. Stoner, Attorney for NSRP from Atlanta, according to information from T-9, spoke for approximately one hour and a half at the convention, and about an hour of his speech was devoted to criticism of the FBI. Stoner stated he would cover the most obnoxious subject of his speech first, and that the most obnoxious was the FBI. He stated that the FBI was the most over-rated organization in the United States. There is more propaganda in favor of the FBI than any other organization, and there is less criticism; and that the FBI is portrayed to the American people as being an organization against the Communist party, when the Communist party is becoming more powerful. Stoner stated the FBI let the Communist Party spies steal every military secret that we had, and that the FBI is the American counterpart of the Soviet Secret Police, and has been built up by Communist-Jewish Conspiracy by propaganda, to be effective as secret police, otherwise would not be accepted by American people. He stated that the FBI does not bother Communists, but that they concentrate on prosecuting white Christian Americans. The Communist Party, USA, and its affiliates have been designated by the Attorney General of the United States, pursuant to Executive Order 10450.

J. B. Stoner stated that for good paying Government jobs, the members of the FBI are willing to betray their country to the "Jew-Communist conspiracy", and that before a patriotic American would work for the FBI, he would tear his credentials in two, throw them on the ground, and stomp on them. According to Stoner, the NSRP, ever since its existence, has been plagued with FBI undercover agents, and that there is not a citizens council, klan, or states rights organization that is not infiltrated by the FBI.

Stoner continued his remarks by stating that it (FBI) is a political police organization, and he also criticized security squads in Atlanta, Georgia, and the Georgia Bureau of Investigation. He also stated that if the FBI knocks on your door, ask them if they have a warrant. If they don't, insult them and say words to them worse than words would use to anybody else, and tell those mangy dogs to get off your property. Stoner stated don't answer their questions, and when an integrationist, pro-Communist law enforcement agency asks questions, refuse to answer them.

According to information furnished by T-9, Stoner, among his many accusations, also stated that the FBI was the enemy of America, and the enemy of all patriotic organizations.

On September 2, 1963, Birmingham Confidential Informant T-10, who has furnished reliable information in the past, advised that he had just received some unofficial information indicating that Colonel [redacted]

On September 2, 1963, [redacted] United States Attorney for Northern District of Alabama, Birmingham, advised that, based on information available to him, he was of the opinion that Alabama Governor George Wallace hoped to delay school integration at Tuskegee, Alabama, and Huntsville, Alabama, until September 30, 1963, with the hope that difficulties would occur in Birmingham, and that the intervention of Federal troops might be required.

On September 2, 1963, BH T-4 advised that the United Klans of America, Incorporated, above mentioned, sponsored a rally open to the public at the National Guard Armory, Graymont Avenue, Birmingham, on the night of September 2, 1963, from 7:30 P.M., to 10:30 P.M. T-4 advised that approximately 900 persons attended this rally. T-4 stated that Robert Shelton, Imperial Wizard, United Klans of America, Incorporated; Rev. George Fisher; and Rev. Ferrell Griswold, both Baptist ministers and strong segregationists, alleged that the current civil rights movement, including equal rights for Negroes, was Communist inspired, and urged all white citizens to unite in effort to petition the State and local authorities to close the public schools, rather than integrate them.

BH T-4 further advised that the speakers at the above mentioned UKA rally did not advocate violence in their remarks.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

UNITED KLANS OF AMERICA, INC.,
KNIGHTS OF THE KU KLUX KLAN (UNITED KLANS)

Records of the Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name UNITED KLANS, KNIGHTS OF THE KU KLUX KLAN OF AMERICA, INC.

A source advised on February 27, 1961, that UNITED KLANS was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, the Alston Building, Tuscaloosa, Alabama. The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South, with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as UNITED KLANS OF AMERICA, INC., KNIGHTS OF THE KU KLUX KLAN. The second source said the name was changed by a resolution adopted at the National Klonvocation held July 8, 1961, at Indian Springs, Georgia.

**NATIONAL STATES RIGHTS PARTY
(NSRP)**

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt", announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised [redacted]

Judge Clarence W. Allgood praised the jurors for their courage and directed a further probe into unsuccessful efforts to tamper with the jury. His own life has been threatened, he revealed.

States-Rightists

The eight indicted were mostly small fry segregationists connected with the National States Rights Party, which has its headquarters here.

U. S. Attorney Macon L. Weaver refused to say whether the jury would investigate the activities of Gov. George Wallace, also trying to block integration.

The eight indicted were Edward R. Fields, editor of the National State's Rights party's publication, the Thunderbolt; Gerald Q. Dutton, Jesse B. Stoner, James K. Warner, Barnie M. Carmack Jr., Ralph Lewandowski, Jack Cash and David A. Stanley the Canadian.

Face 5 to 15 Years

If convicted on all of the applicable counts in the six-count indictment, they face prison terms ranging from five to 15 years and fines from \$6,000 to \$16,000.

Four of the men were arrested immediately and arraigned before U.S. Commissioner Louise Charlton. She set bond at \$2,500 each. Three were from Georgia—Fields, 30, Cash, 56, and Dutton, 22. The fourth, Lewandowski, 18, Chicago.

Dear Sirs:

At the present time I am starting my first year
as a student [redacted] and have
been advised that due to the nature of my projected
future, this letter might be a wise precaution.

b6
b7C

Since the late Winter and early Spring of 1962
up to and including June of this year (1963), I
have been the recipient of completely unsolicited
literature from such organizations as the Nation
States' Rights Party, Rockwell's Nazi Party, and some
White Citizens' Councils.

The only reason I might have attained the dubious
position on this mailing list stems from the publication
of some "Letters to the Editors" in New York Newspapers
(3 in the Herald-Tribune, 1 each in the Telegram, and
Journal-American), and one in LOOK magazine. Since my
political opinions fall somewhere between Goldwater and
Rockefeller, I can see no reason why I was considered
a likely prospect for these "organizations" of a some-
what different political leaning.

I realise of course that I am perfectly within my
rights to receive such literature, but I have been
advised that a letter such as this one is nevertheless
a good idea. I am not lodging a complaint of any kind
against my "correspondents", as a matter of fact I
find this literature interesting, in an academic sense.
I would appreciate it very much if you would send me
an opinion as to the possible harmful effects of answering
this trash at some time in the future, if I feel so
inclined. Also would you be so kind as to acknowledge
receipt of this letter. Thank you vey much.

Sincerely,

DETAILS:

"THE THUNDERBOLT" - Publication of the
NSRP

"The Thunderbolt" is self-described as the "Official White Racial Organ of the NSRP."

A characterization of the NSRP is set forth in the appendix to this report.

BH 105-477

Issue No.53 of "The Thunderbolt" for August, 1963, on page twelve reflects that Dr. EDWARD R. FIELDS is the Editor and JAMES K. WARNER is the Associate Editor of "The Thunderbolt." This newspaper is published monthly, and has Post Office Box 783, Birmingham, Alabama.

Issue No.49 of "The Thunderbolt" for February, 1963, is devoted to the theme "Communism is Jewish." Page one of this issue carries the caption "COMMUNIST PARTY MEETS IN JEW CENTERS." Page two and three carry a headline "Jews Completely Dominate U. S. Communist Party." Page four of this issue carries the caption "Jews Say 'Communism is Jewish.' " Pages six and seven carry the headline "Every Communist Spy Ring in America Has Been Run By Jews." Pages eight and nine of this issue carry what is purported to be Chapter 19 of "The International Jew," allegedly written by HENRY FORD, Founder of Ford Motor Company.

Articles and photographs were set out in Issue No.49 of "The Thunderbolt" concerning various individuals, groups and activities reportedly bearing out the truth of the above-mentioned allegations and headlines.

The Communist Party, U. S. A. and its affiliates, has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Issue No.50 of "The Thunderbolt," dated March - April, 1963, was devoted to the theme "Goldwater a Fraud." A considerable portion of Issue No.50 of "The Thunderbolt" was devoted to statements villifying Senator BARRY GOLDWATER, his record as a public official, and vilification of "Jewish" persons and allegations that Communists were arming Negroes to exterminate the white race.

Issue No.50, on pages eight and nine, also contained an alleged portion of "The International Jew," allegedly written by HENRY FORD, Founder of the Ford Motor Company.

Along with Issue No.50 of "The Thunderbolt" was included a four-page section captioned "The Thunderbolt Magazine Section," dated April, 1963. This section reflected

On June 11, 1963, BH T-1 advised that the NSRP held an open-air meeting at Fultondale, Alabama, at 7:30 p.m. on that date. BH T-1 stated that Dr. FIELDS, in a thirty minutes speech, attacked Negroes, Jews, President KENNEDY, and integration. FIELDS stated that if there had been any "real white people" in Tuscaloosa, those "niggers" would not have been enrolled at the University. FIELDS said that the National Guard should be abolished and that President KENNEDY was trying to establish a military dictatorship and that the "Jews" were behind him. FIELDS stated that the Negro students would only be at the University of Alabama as long as Federal troops or United States Marshals stayed there.

BH T-1 also stated that another speaker at the June 11, 1963, rally was a Reverend CONRAD LYNCH, of San Bernardino, California, a member of the NSRP, who spoke in favor of segregation, and stated that no Negro civilization had ever created anything and that Negroes did not have minds to create anything. BH T-1 also stated that JERRY DUTTON, an officer of the NSRP, was the last speaker at this rally. DUTTON explained the organizational setup of the NSRP, and requested the people present to leave their names and telephone numbers in order that they might be called at a moment's notice to fight for segregation.

BH T-1 further advised, in regard to the above-listed open-air rallies of the NSRP which were attended by him, that FIELDS and other speakers usually made almost identical remarks or hate speeches at these rallies and these speeches were generally anti-Semitic, anti-Negro, and anti-KENNEDY Administration.

During July and August of 1963, the NSRP had some of its officials, members, and sympathizers visit the downtown Birmingham, Alabama, stores in order to observe whether attempts were being made to desegregate the lunch counters of any downtown Birmingham stores. Some of these persons were observed on a number of occasions to have distributed mimeographed leaflets containing comments sharply critical of the proposed integration plans of the downtown merchants. Some of these leaflets were captioned, "Daily Bulletin," and some later ones were captioned, "Weekly Bulletins." These bulletins were reportedly put out by the NSRP and some of them specifically mentioned WOOLWORTH'S, LOVEMAN'S, PIZITZ, KRESS', and BRITT'S Department Stores in downtown Birmingham which had agreed to permit desegregation of their lunch counters. (BH T-1, July 12, and 24, 1963; BH T-9, July 26, 1963)

BH 105-477

On July 17, 1963, BH T-1 advised that [redacted]

[redacted] recently had in his possession a paper-bound book entitled, "Know Your Enemies' Tactics." BH T-1 said that this book contained information on guerilla warfare, propaganda, sabotage, and spying. On the cover page was the quotation, "Eternal Vigilance is the Price of Liberty." The book was characterized as being volume one, with sixty-four illustrations and a foreword by Colonel VIRGIL NEY. On one of the pages in the front of the book was the inscription, "By Cross Fire." T-1 said that this book contained information on how to make all types of homemade bombs, Molotov cocktails, how to destroy buildings, railroads, etc.

On July 17, 1963, BH T-1 also advised that [redacted] stated that he had received information to the effect that the downtown merchants in Birmingham intended to desegregate their lunch counters about July 22, 1963. BH T-1 said that

[redacted] began sending two or three of his NSRP members to downtown Birmingham about July 15, 1963 to observe the principal lunchrooms involved, such as WOOLWORTH'S and KRESS' Stores. T-1 said that [redacted] stated that he intended to use violence, if necessary, to prevent the desegregation of the lunch counters.

On July 31, 1963, Captain [redacted] Birmingham Police Department, advised that four white male individuals had been arrested by officers of the Birmingham Police Department on that date in connection with the picketing of WOOLWORTH'S DEPARTMENT STORE and BRITT'S DEPARTMENT STORE in downtown Birmingham. The "Birmingham-Post Herald," a daily newspaper of Birmingham, Alabama, in its final edition for August 3, 1963, carried an article on page thirteen which was captioned, "4 Men Convicted for Demonstrating." This article stated that four members of the NSRP had been arrested on July 31, 1963, in downtown Birmingham while demonstrating against integration of lunch counters, and that they had been fined and sentenced to jail on August 2, 1963, in the Recorder's Court of Birmingham.

BH 105-477

According to the above article, the four NSRP members were each fined \$100 and costs, and given 180 days in jail, which fine and sentence the defendants appealed and were released on \$1,000 bonds each shortly after they reached the jail.

On August 20, 1963, BH T-1 made available a petition captioned, "CLOSE MIXED SCHOOLS."

This petition carried a sub-caption "Private ALL-WHITE Schools the Only Answer." This petition was addressed to Honorable GEORGE WALLACE, Governor of Alabama, Montgomery, Alabama, and reflected that it was a petition of the NSRP, 1865 Bessemer Road, Birmingham, Alabama, and that Dr. EDWARD R. FIELDS was the Information Director of the NSRP. The petition contained blanks for names, addresses and telephone numbers of persons who would sign same. The petition reflected that all the petitions should be turned in no later than August 29, 1963, in order that they might be taken to Montgomery on August 31, 1963, by a motorcade to present the petitions to Governor WALLACE. On August 30, 1963, BH T-7 stated that Dr. FIELDS spoke at the open-air rally sponsored by the NSRP, which was held at 7:30 p.m. on that date in the Cahaba Heights Section of Birmingham. BH T-7 stated that FIELDS urged his listeners to resist integration of Birmingham public schools by supporting the NSRP and its aims. BH T-7 stated FIELDS remarked that the NSRP does not hate Negroes and is a non-violent organization. FIELDS described assimilation of races as a forerunner of mongrelization. BH T-7 stated that FIELDS also urged those in attendance at this rally to meet at NSRP headquarters at 7:00 a.m. on September 4, 1963, to proceed to the Birmingham schools slated for integration and to join NSRP members in a peaceful demonstration to halt integration or close the schools.

On September 1, 1963, BH T-2 advised that the NSRP held its Seventh Annual Convention at the Redmont Hotel in the Emerald Room, Fourth Avenue, North and 21st Street, Birmingham, from 1:00 p.m. to 9:00 p.m. on September 1, 1963.

BH 105-477

BH T-2 stated that the main speakers were Dr. EDWARD R. FIELDS, Information Director of NSRP; Attorney J. B. STONER of Atlanta, Georgia; NED DUPES, National Chairman of NSRP; DEWEY TAFT of Miami, Florida; and JAMES WARNER, Associate Editor, of "The Thunderbolt." BH T-2 stated that there were representatives from several states at the convention and estimated that about 100 persons attended the convention. BH T-2 also stated that it was announced at this convention that the NSRP planned to demonstrate in regard to the desegregation of Birmingham public schools. FIELDS stated they planned to intercept parents bringing their children to school and to try to persuade parents to demand that their children be transferred from integrated schools and to boycott with three Birmingham public schools to be integrated. FIELDS also stated that J. B. STONER, an attorney of Atlanta, Georgia, would be in Birmingham for several days to provide legal counsel for NSRP members and others taking part in demonstrations against mixing the public schools of Birmingham.

BH T-2 also stated that at the convention, J. B. STONER spoke at great length and was very bitter against the FBI and law enforcement officers in general. STONER, among numerous other remarks made concerning the FBI, stated the FBI had no jurisdiction unless Federal matters were involved and urged everyone to allow no FBI Agents in their homes unless a search warrant was exhibited.

On the morning of September 4, 1963, the public schools of Birmingham, Alabama, opened for the Fall Term of 1963. Three public schools of Birmingham were then scheduled to be desegregated on September 4, 1963 and these schools were as follows:

RAMSAY High School, 1800 - 13th Avenue, South;

WEST END High School, 1840 Pearson Avenue,
Southwest;

GRAYMONT ELEMENTARY School, 300 Eighth Avenue,
West.

On the morning of September 4, 1963, Special Agents of the Birmingham FBI Office observed the following:

BH 105-477

b6
b7C

At approximately 7:35 a.m., [redacted] NSRP, and about twelve followers approached the West End High School on foot carrying Confederate flags and some signs. At approximately 7:48 a.m., [redacted] and about 65 demonstrators or pickets were peacefully picketing in the area of West End High School. At approximately 7:55 a.m., these pickets at West End High School were shouting in defiance of integration and appeared to be preparing to leave that area.

At approximately 8:45 a.m., [redacted] and a group of about twenty-five males, ranging in age from twenty-five to forty-five, managed to get into the school yard at GRAYMONT Elementary School and at this time they were carrying signs and placards. At about 8:45 a.m., [redacted] above mentioned, was arrested by officers of the Birmingham Police Department for throwing rocks at the Graymont Elementary School. Some scuffling was reported at the Graymont Elementary School between NSRP members and some representatives of the Birmingham Police Department.

b6
b7C

At about 8:55 a.m., the NSRP group, mentioned above, was making preparations to depart the area of Graymont Elementary School and reportedly intended to travel to the Ramsay High School. At 9:13 a.m., the NSRP motorcade approached Ramsay High School and this motorcade consisted of about 36 cars of various descriptions with the occupants of these cars consisting of males and females of various ages ranging from young to middle age. At 9:21 a.m., a group of about 25 males carrying Confederate flags with slogans directed against Communists, race-mixing, and Jews were demonstrating in the area of Ramsay High School. Some of the actions of the three leaders of this group of pickets were such as to suggest that they were mentally deranged rather than acting in a normal manner. At times these three leaders were screaming obscenities at police officers and were "white with rage" at the action of the police in preventing their march. At about 9:35 a.m., the Birmingham Police Department moved in on the above-mentioned NSRP group and other demonstrators, who were carrying placards and Confederate flags and the police then cleared the area. Some of the NSRP representatives resisted the officers and some of the NSRP men lay down on the ground and refused to move.

BH 105-477

At about 10:05 a.m. on the above-mentioned date, the motorcade of NSRP cars, approximately twenty in number, traveled to the City Hall, Birmingham, Alabama. The cars circled the Birmingham City Hall, blowing horns and waving Confederate flags, but about forty Birmingham Police Officers blocked the entrance to Birmingham City Hall when the various individuals taking part in this motorcade attempted to enter City Hall. At about 11:40 a.m., [redacted] had departed the area of Birmingham City Hall and returned to the NSRP headquarters at 1865 Bessemer Road, Birmingham.

b6
b7C

During the course of the above-mentioned activities on September 4, 1963, officers of the Birmingham Police Department arrested [redacted] who was charged with disorderly conduct, malicious mischief, and destruction of city property; [redacted] all white males, who reportedly were members of the NSRP group, and the latter three males were charged with violation of the new city ordinance of Birmingham which gave the Birmingham Police Department broader powers in areas where demonstrations might occur.

b6
b7C

On September 16, 1963, a special Federal Grand Jury Session was convened in Birmingham, Alabama, for the U. S. District Court for the Northern District of Alabama. The purpose of this Federal Grand Jury was to act as an investigative body and to fully probe into any possible objection or interference by any individuals or organizations with the orders of the U. S. District Court for the Northern District of Alabama, Birmingham, Alabama, requiring desegregation of three Birmingham schools, which court orders were then outstanding and in effect.

On September 23, 1963, the above-mentioned special Federal Grand Jury returned indictments against eight individuals in regard to the above-mentioned matter. Among those indicted were the following seven named individuals:

[redacted]
[redacted] J. B. STONER, [redacted]
[redacted] mentioned above, with the exception of [redacted]
[redacted] who was arrested by officers of the Birmingham Police Department in regard to his activities on September 4, 1963, during NSRP demonstrations at the three desegregated Birmingham public schools, as mentioned above.
